MESSAGE FROM THE MAYOR

Last year Townsville got a taste of what it is like to be the home of world-class arts, culture and events as Townsville City Council delivered the inaugural North Australian Festival of Arts (NAFA). With over 250,000 patrons enjoying 2019's jammed packed 32-day festival, our community has gained quite the appetite, which is why in 2020 NAFA is back in a modified COVID Safe capacity.

There is no doubt the North Australian Festival of Arts supported in our community's recovery from the 2019 monsoon event. In 2020 as we fight the effects of a worldwide pandemic, Council is committed to delivering a Festival to support the local arts community, help rebuild our tourism and events sector and improve economic and human social recovery.

The benefits of NAFA goes beyond the joys of being entertained; it brings our city to life with music, colour and dance.

Like NAFA, our local arts community has adapted to the unique struggles 2020 has brought with it. But this year's Festival will not only give Townsville a chance to celebrate arts and culture through a number of COVID Safe performances including Wonderland Under the Stars, Beauty Rich and Rare, Art in the Park and many more, it gives our city a chance to support the amazing people behind the curtains. So, open your mind and get ready to set your imagination alight, NAFA is back and I look forward to celebrating it with you.

Cr Jenny Hill
Mayor of Townsville

MESSAGE FROM THE HON LEEANNE ENOCH MP

Welcome to the reimagined 2020 North Australian Festival of the Arts (NAFA).

This exciting arts experience in the heart of Townsville will feature COVID safe programming supported by the Palaszczuk Government.

The month-long festival will activate the region, showcase unique Queensland stories and

provide much-needed support for our incredible artists and arts workers.

Festival highlights include Wonderland Under the Stars with an all Queensland line up, interactive art sites through Art in the Park and performances presented by the Australian Festival of Chamber Music.

Local youth will also be engaged through visual art project Connect, Create, Skate. Over the course of three weeks, three artists will repaint a Townsville skate bowl, culminating in a day of workshops and featuring a local DJ.

The unique arts and cultural experiences will excite the region with creativity and wonder, as we continue to deliver Queensland's plan for economic recovery.

The Palaszczuk Government has invested \$200,000 to support NAFA in 2019 and 2020, and since the onset of COVID-19 has committed more than \$42.5 million worth of measures to revitalise the arts sector.

I hope you enjoy this year's festival!

MESSAGE FROM THE HON KATE JONES MP

Welcome to the North Australian Festival of Arts.

COVID-19 is the biggest challenge we've ever had to face. This event is a significant step forward in the economic recovery of Townsville North Queensland – encouraging visitors to come back, pumping thousands of dollars into local businesses and supporting local jobs.

It's thanks to the excellent efforts of Queenslanders that restrictions have eased and we can start to focus on our economic recovery.

Events are vital to the Palaszczuk Government's strategy to rebuild Queensland's economy and support local jobs long into the future.

The North Australian Festival of Arts originated from the Commonwealth Games Townsville Festival 2018 and showcases northern Australia's melting pot of creativity. The month-long event will feature a range of COVID safe arts and cultural offerings, with the main highlights Beauty Rich and Rare, Wonderland Under the Stars and Art in the Park – a re-emergence.

The Palaszczuk Government is proud to support this event through Tourism and Events Queensland.

If you're visiting, I encourage you to stay, support local businesses and experience all that Townsville North Queensland has to offer.
