

Council Works Notification

Ross River Dam to Douglas Water Treatment Plant Pipeline Renewal Works

Works location: Riverway Drive, Kelso

Flyer delivery date: By 30 November 2023

Townsville City Council is committed to delivering well-maintained infrastructure and efficient transportation systems, with over \$400 million being invested in roads and transport management, open spaces, water, and wastewater management this financial year.

As part of this commitment, Council is duplicating the Ross River Dam to Douglas Water Treatment Plant pipeline, a key water infrastructure asset essential to Townsville's water supply which provides 85% of the city's water. The new duplicate pipeline will further enhance Townsville's water security.

Works will include the excavation and installation of pipework near the Ross River Park Booster Pump Station.

Operations will commence **Wednesday 6 December** and be completed by **Friday 22 December**, weather and construction conditions permitting.

Normal work hours are from **6am to 5pm Monday to Friday** and **6am to 2pm on Saturday**. In exceptional cases, work may be required outside these hours.

Residents and businesses in close proximity to the works may experience some temporary construction impacts including:

- Noise
- Warning lights
- Vehicle operating alarms
- Vibration
- Occasional dust

We apologise for any inconvenience this work may cause and appreciate your patience during this time.

If you have any questions about this work, please contact the Project Manager, Michael Browne during business hours on 0498 272 728 or email michaelb@civilplus.com.au

Council has appointed local contractor Civil Plus Constructions to undertake these works.
