

Secret Gardens

How to!

**Create a window to your very own secret garden!
Display in a bright location and let the light shine through!**

What we provide:

- Tropical patterns to print onto acetate (make sure to check printer settings before printing on acetate).

What you will need:

- Black card to create the frame
- Acetate to print tropical pattern onto
- Coloured tissue paper or cellophane
- String
- Scissors
- Glue
- Double sided tape
- Hole punch

Step 1:

Cut a frame out of black card. This can be any shape, such as a rectangle or even in the shape of a leaf!

Step 2:

Print one of the tropical patterns provided onto a sheet of acetate, then glue or tape the acetate to the back of your frame.

Step 3:

Add colour by glueing pieces of tissue paper or cellophane onto the back of the acetate.

Step 4:

Add foliage inside, on, or maybe even hanging from your frame!

Step 5:

Using tape or a hole punch, attach string to the top of the frame so that you can hang it!

Step 6:

Hang your frame in a bright location, perhaps in or near a window, and enjoy the view into your secret garden!

Step 7:

 Send a photo of your finished creation to us at galleries@townsville.qld.gov.au or share with us on Facebook and Instagram!
