

Council Works Notification

Water Main Construction Works

Work location: Pathway Corridor, Bohle Plains

Flyer delivery date: Wednesday, 2 June 2021

Townsville City Council is committed to delivering quality services, updating, and maintaining infrastructure and supporting jobs and has allocated a balanced budget to support our community through one of the toughest periods of our city's history.

Townsville's water network consists of reticulation pipelines, pump stations and major trunk line that work together to perform an essential infrastructure process that ensures all properties, commercial and industrial businesses receive efficient operational water service.

Works are required to be conducted on an essential underground Water Main pipeline that transports water through the Bohle Plains area and the surrounding catchment zones.

This project will involve the installation of a new water main pipe constructed under the existing footpath between the street boundaries of Dalrymple Road through to Poinsettia Drive, Bohle Plains adjacent the Ring Road conducted within the shared pathway connector corridor.

Installation of the new water main infrastructure will provide a sustainable water connection through to all businesses and residential properties highlighted within the catchment zone indicated via a yellow line overleaf.

The **Bohle Plains** water main project is scheduled to commence **Wednesday, 9 June 2021** and are expected to take **six (6) weeks** to complete (weather and conditions permitting).

Works may involve:

- Excavation and machinery operations
- Closure of the footpath – access detours provided
- Safety fencing installed for pedestrian
- Noise, flashing lights and dust

Council has appointed a qualified contractor to conduct these works.

Normal work hours are **6am to 6pm Monday to Friday and 6am to 4pm on Saturday**. In exceptional cases, work may be required outside these hours.
