## Lansdown Eco-Industrial Precinct - Enabling Infrastructure Flinders Highway intersection upgrade

**Works location:** Flinders Highway intersection at Old Flinders Highway and Woodstock-Giru Road - Woodstock

**Distribution date:** Tuesday, 22 August 2023

As part of enabling transport infrastructure works for the Lansdown Eco-Industrial Precinct, Townsville City Council is undertaking works to upgrade the Flinders Highway intersection at Old Flinders Highway and Woodstock-Giru Road, Woodstock.

Works will commence from late-August 2023 and are expected to be completed in early 2024, weather and construction conditions permitting. When complete this upgrade will facilitate safer entry to the Lansdown Eco-industrial Precinct.

The project will involve:

- upgrading the intersection at Flinders Highway, Old Flinders Highway and Woodstock-Giru Road.
- extension of the acceleration and deceleration lanes 200-300m North and South of the intersection.

**Construction will be undertaken Monday to Saturday, between the hours of 6.00 a.m. and 6 p.m.** weather permitting.

Residents and businesses in close proximity to the worksite may experience some temporary impacts including:

- Construction vehicle movements with reversing alarms and flashing lights.
- Construction related noise
- Temporary lane closures and traffic control to direct motorists through the intersection worksite.

Further updates will be provided as the project progresses. We apologise for any inconvenience this work may cause and appreciate your patience during this time.
