On completion, please email this form to enquiries@townsville.qld.gov.au
 Note: If you have any questions, please do not hesitate to contact Townsville Water and Waste on 4727 8893 or email enquiries@townsville.qld.gov.au

DISCLAIMER: The full repair costs for damage to water infrastructure remains the responsibility of the person or company undertaking the works (Section 30 *Water Supply Law Standard*). However, the costs of damage occurring due to an incorrect location, as defined, will be borne by Townsville Water and Waste. An incorrect location is defined as where the stated infrastructure was not within 1 metre (either side) of the marked location.

PRIVACY NOTICE: Townsville City Council collects and manages personal information in the course of performing its activities, functions and duties. We respect the privacy of the personal information held by us. The way in which council manages personal information is governed by the Information Privacy Act 2009 (Qld). We are collecting your personal information in accordance with Water Supply (Safety and Reliability) Act 2008 and the Plumbing and Drainage Act 2002 so that we can process your inquiries; provide our products and services; provide information about our products and services; comply with our regulatory, contractual, insurance, governance and other legal obligations; process payments; protect and enforce our legal rights. Generally, we will not disclose your personal information outside of Council unless we are required to do so by law, or unless you have given us your consent to such disclosure For further information about how we manage your personal information please see our [Information Privacy Policy](#).
