WATER SUPPLY (SAFETY AND RELIABILITY) ACT 2008

('The Water Supply Act')

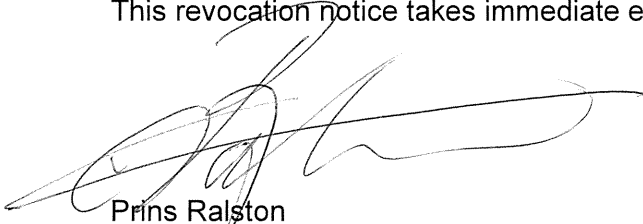

NOTICE OF REVOCATION OF SERVICE PROVIDER RESTRICTION

On 18 December 2020, Townsville City Council gave notice under section 43 of the Water Supply Act to give effect to various water restrictions made by it under section 41 of the Water Supply Act, pursuant to Townsville and Magnetic Island Water Restrictions Notice (No. 4) 2020.

Following repair work undertaken in relation to a recent rupture of the pipeline servicing the Douglas Water Treatment Plant and progressive restoration of water supply capability to the Townsville Local Government Area, Townsville City Council no longer considers that there is a need to establish water restrictions pursuant to sections 41 and 43 of the Water Supply Act.

Accordingly, on behalf of Townsville City Council in its capacity as the service provider under the Water Supply Act, the service provider restrictions outlined in Townsville and Magnetic Island Water Restrictions Notice (No. 4) 2020 are hereby formally revoked.

This revocation notice takes immediate effect.
