IS MY PROPERTY IN A RESIDENT PARKING AREA?

The **Pimlico Resident Parking Permit** applies to residences within the blue line on the map below.

The **North Ward Resident Parking Permit** applies to residences within the blue line on the map below.

RESIDENT PARKING AREA

Resident Parking Areas are designated within Pimlico and North Ward where there is a need to protect large numbers of residents from all day parking by motorists who do not live in the designated Resident Parking Area.

HOW DO I APPLY FOR A PARKING PERMIT?

A permit is available for passenger vehicles and utilities, but not for trucks or buses. A limit of two permits per residence applies; one permit may be a visitor permit. Each permit applies to a specific vehicle, however the single visitor permit is transferable.

The permit should be fixed inside the front windscreen or placed on the dashboard of the vehicle and is only valid for the street for which it was issued. There is no charge for the permit(s) issued.

The Parking Permit allows the driver of a vehicle, to which the parking permit is affixed, to park and be excluded from any time limited or paid parking restriction that may be signed on the street within that Resident Parking Area. A permit will **not** be issued to a residence that forms part of a multiple dwelling property.

An application form and conditions of the Resident Parking Areas are included in this brochure.

All application forms must be lodged at the Townsville City Council Customer Service Centre or any Customer Service Point.
