Reid Park Circuit Resurfacing Works Update

Friday 14 August 2026

What works are coming up?

Stage 1 of the Reid Park Circuit Resurfacing Works is now complete, with identified sections of the circuit successfully resurfaced.

Stage 2 will commence on Friday 21 August 2026 and will be delivered in two phases:

Phase 1: A full road closure of Boundary Street between Railway Avenue and Charters Towers Road, including the Charters Towers Road intersection through to Flinders Street, from **7pm Friday 21 August to 5am Monday 24 August 2026**, to allow resurfacing works.

Phase 2: Night resurfacing works on Boundary Street between Railway Avenue and Charters Towers Road, with single-lane closures under stop/go traffic control, between **7pm and 5am** each night from **Monday 24 August to Thursday 27 August 2026**.

These works will help ensure the circuit remains safe, reliable and ready to support major motorsport events into the future.

When will the works take place?

Location	Reid Park Circuit, Railway Estate
Timing	Stage 2 works will start Friday 21 August 2026 and are expected to take one (1) week to complete, weather permitting.
Hours	Phase 1: 24-hour works from 7pm Friday to 5am Monday. Phase 2: Night works from 7pm to 5am, Monday to Thursday.

What will the works include?

As part of these works, Council will:

- remove the existing road surface and replace with race-grade asphalt
- install detector loops in selected road sections.

What does this mean for me?

If you live in or are travelling through the area, you may experience:

- construction machinery and vehicle movement
- increased levels of dust, noise and vibration
- temporary traffic changes, including road and lane closures, reduced speed limits and minor delays.

To minimise impacts on businesses, commuters and other road users, Stage 2 works will be undertaken at night and over a weekend.

Funding

This project is proudly funded by the Queensland Government's Works for Queensland Program.
