Food safety program

Please provide the following:

- A copy of the food safety program

Section 98 of the *Food Act 2006* states that a food safety program must:

- a) systematically identify food safety hazards that are reasonably likely to occur in food handling operations of the food business; and
- b) identify where in a food handling operation of the food business, each hazard identified in paragraph (a) can be controlled and the means of control; and
- c) provide for the systematic monitoring of the means of control; and
- d) provide for appropriate corrective action to be taken when a hazard identified under paragraph (a) is not under control; and
- e) provide for regular review of the program to ensure its appropriate for the food business; and
- f) provide for the keeping of appropriate records for the food business, including records about action taken to ensure the business is carried on in compliance with the program
- g) contain other information, relating to the control of food safety hazards, prescribed under a regulation.

- A copy of the written advice from a Queensland Health approved auditor

Townsville City Council requires the applicant to obtain written advice from an approved auditor as to whether this food safety program meets the criteria outlined in section 104 of the *Food Act 2006*.

Council will not proceed with assessing this application if written advice is not attached. To find an approved auditor visit Queensland Health's website: health.qld.gov.au/public-health/industry-environment/food-safety/resources/tools-for-auditors
