

Works Notification

UPDATE – Gregory Street Water Main Works

Friday, 10 October 2025

What works are coming up?

Townsville City Council is currently undertaking underground water main upgrades at four locations near the intersection of Gregory and Mitchell Streets in North Ward.

Please be advised that the schedule for this work has changed. The updated dates and times are provided in the table below.

This project forms part of Council's annual water maintenance program, which aims to maintain and enhance Council-controlled water networks to ensure our community's connectivity needs are met and support the ongoing growth of our region.

When will the works take place?

Location	Mitchell and Gregory Street Intersection, North Ward
Timing	<p>Works will take place as follows, weather and project conditions permitting:</p> <p>Day works:</p> <ul style="list-style-type: none"> Wednesday 22 October <p>Night works:</p> <ul style="list-style-type: none"> Thursday 23 October Monday 27 October
Hours	<p>Normal work hours are from 6:00am for day works and 5:00pm for night works.</p> <p>Due to the nature of these works, traffic detours will be in place. Motorists should follow all traffic control directions and detours.</p>

What will the works include?

As part of this project, Council will construct new water mains under the road near the Mitchell and Gregory Streets roundabout.

What does this mean for me?

If you work in, reside in, or are travelling through the area, you may experience:

- construction machinery and vehicle movement
- increased levels of dust, noise, vibrations and flashing lights
- temporary traffic changes, including minor traffic delays and reduced speed limits.

Funding

Proudly funded by the Queensland Government's Works for Queensland program in association with Townsville City Council.
