Hi Jayne,

I am mindful that the Information Request response is due 10 April 2026. Following monitoring results, draft reporting, and an Information Request from DETSI for the ERA application, the Applicant is currently working through some changes to the cell numbers and configuration. Given this, we cannot respond by 10 April 2026, and request a further two-month extension to the Information Response period, meaning the response will be due on or before 10 June 2026.

If you have any questions, please let me know.

Kind regards,

Sarah Jones | SENIOR TOWN PLANNER
