

Kelly Street, Nelly Bay

Low Impact Industrial Development

Proposed Development Application

SUBMISSION FORM

A development application has been lodged by council for approval of a future low impact industrial precinct at 55 – 77 Kelly Street, Magnetic Island (Lot 2 on RP715779). The land is owned by Townsville City Council.

Under the *Sustainable Planning Act 2009*, council is required to publicly notify the proposed development application and invite feedback for 30 business days. It is anticipated that this will occur in late 2017.

However, in order to gain an early understanding of the community's views on the proposed development, council is seeking feedback prior to the statutory public notification period.

There are two ways you can provide comments on the development application:

1. Complete the online submission form at www.townsville.qld.gov.au/about-council/community-consultation/kelly-street-development-magnetic-island
2. Complete this submission form and drop it to the Have Your Say comment box at the Meet the Planner session, mail the submission form to:

Planning Services
Townsville City Council
PO Box 1268
Townsville, QLD
4810

or email the form to developmentassessment@townsville.qld.gov.au

Visit council's website at www.townsville.qld.gov.au for further information on the development application.

Submissions close on Friday 18 August 2017

Kelly Street, Nelly Bay

Low Impact Industrial Development

Proposed Development Application

SUBMISSION

I wish to make a submission to the above mentioned proposed development for the following planning reasons (attach any additional pages if necessary):

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Important Note: This submission does not form a properly made submission as part of the statutory public notification process of the development application under the *Sustainable Planning Act 2009*
