**Pandora Gallery**
HMS *Pandora* was the British Royal Navy warship dispatched to the South Pacific in pursuit of the infamous *Bounty* mutineers. Today, the mutiny on the *Bounty* remains one of the best-known stories in the history of seafaring.
In her day, HMS *Pandora* was a prized and proud member of the Royal Navy. Today the *Pandora* is one of the most significant shipwrecks in the Southern Hemisphere. The Queensland Museum has been excavating the wreck and piecing together the *Pandora* puzzle since 1983.
The *Pandora* Gallery is the mainstay exhibition at the Museum of Tropical Queensland. Visitors will be captivated by the story of the ill-fated *Pandora* and should allow at least an hour to enjoy this intriguing exhibition.

**A Ticket to Paradise**
A Greek girl, sent across the world to marry a man she’d never met; an African journalist fleeing for his life; and a stateless baby born in India to Iranian parents, are just some of the human stories that feature in *A Ticket to Paradise*?
This touring exhibition, from the National Archives of Australia, examines the rich diversity of Australian immigrants and the government’s ambitious plans after World War II to encourage mass migration.
The exhibition reveals the human aspect of migration, with recordings of new and archival personal stories. These stories give an insight into the rich, complex and very different experiences of the migrants and refugees who have settled here.
The exhibition also examines promotional campaigns which presented a utopian view of Australia as a welcoming country full of opportunity.

To May 27th
**Insectarium**
Queensland Museum staff research, sort, document and care for a growing collection of approximately 4 million fragile insect specimens, some dating back to the 1870s.
Collection Imager, Geoff Thompson began working for Queensland Museum in 1982. His work in caring for and documenting significant insect collections has evolved from hand-done, highly-detailed illustrations, drawn directly from the microscope, to the establishment of a sophisticated digital imaging system.
This selection of images showcases some of Geoff’s work and highlights that special place where art meets science.
New technology allows us to capture and preserve the details and beauty of insects not visible to the naked eye.

Wharf Revue
Australian National Theatre Live presents a film of a live theatrical performance
Celebrating 15 years
Over 15 years and 21 shows, they've mercilessly mocked all the usual suspects. We’ve watched Howard Tampa with refugees, Rudd give pennies from Kevin, Gillard refuse to be lectured by “that man”, “that man” scrap the carbon tax, stop the boats and – um – get the budget back into surplus… But no one has been able to outplay, outwit or outlast The Wharf Revue.
So, we’re throwing a party and everyone’s invited. For the 15th anniversary, The Wharf Revue was a parade of past and present indignantaries – a who’s who of 21st century embarrassments, from the politicians to the celebrities – all skewered on the stake of seriously side-splitting satirical silliness and musical mayhem.

**Clint Bolster from Homunculus Theatre – (Adult) Mask workshop**

“Homunculus Theatre Company is committed to building relationships with Queensland schools. Clint’s personal commitment to design experiences that suit the context and students of the school cannot be underestimated. Drama teachers have this resource that breaks-down so many barriers and makes our students comfortable which opens a lot of doors for communication. Corinda SHS has chosen Homunculus to be our Theatre Company in residence, firstly because Corinda values physical theatre being the life line of drama and because of the quantifiable results in student development after a workshop run by Clint. He delivers expert tuition of the important and difficult skills needed for ensemble comedy. It is not simple, but complex theatre that evokes thought. Drama Practitioner Clint Bolster and Homunculus is the ‘face of’ Masked Theatre and it is a live, modern, engaging face that can connect with all grades, genders, cultures and abilities. Clint’s use of Masked Theatre, allows students to engage in a socially aware style of theatre that can be hard to access in a general classroom. Schools across the state may not always have access to resources such as masks so allowing Homunculus to demonstrate this art form would not only capture the audience but would build their appreciation for the endless opportunities to manipulate non-verbal communication in drama.”

2. The Friends of St James will give $200 for an illustration that will be used as a correspondence card. An image for the card can represent any physical aspect of St James’ Cathedral, its art, its Christian message, its symbols or even its activities. We are not looking for a photograph, but a painting, drawing, print or graphic design as the original artwork. The winning entry will then be reproduced for sale to locals and visitors as a memento of their visit, with the image forming the front of a card measuring 10.5cm by 15 cm (or 15cm by 10.5cm according to orientation) when folded. Therefore the finished artwork should be submitted in a scale that can be reduced to the dimensions of 10.5 x 15 cm for printing purposes without losing any of the original image, for example 21 cm x 30 cm, 42 cm x 60 cm etc. The copyright in the winning work will pass to the Friends of St James, but the creator of the work will be identified on the card. Our conditions require 2D works to be framed with D hooks and wires ready for hanging and sale, if you wish to submit only an unframed design please contact me.

Entry forms are due 30 June 2018, and entries themselves must be delivered to the Cathedral between 1.00 and 3.00 pm on Sunday 22 July.
