

## Works Notification

### Level Crossing Works

#### What works are coming up?

Queensland Rail will be performing maintenance and upgrade works at the Old Flinders Highway level crossing in Woodstock. These works form part of the enabling infrastructure for the Lansdown Eco-Industrial Precinct and are being delivered in co-operation with Townsville City Council.

#### When will the works take place?

<b>Location</b>	The Old Flinders Hwy level crossing between Woodstock Avenue and Glenn Road.
<b>Timing</b>	<b>Tuesday 9 to Friday 12 June 2026.</b> Materials and equipment may be delivered to site and stored in the rail corridor from Friday 5 May.
<b>Hours</b>	Normal work hours are from <b>6am to 6pm Tuesday to Friday</b> . In exceptional cases, work may be required outside these hours.

#### What will the works include?

- Queensland Rail will be upgrading foundations and rail line in the vicinity of the Old Flinders Highway level crossing.

**Thursday, 28 May 2026**

#### What does this mean for me?

- A road closure will be in place at the level crossing on Old Flinders Hwy
- A detour will be in place for the duration of the closure, directing traffic via Gunnado Road.
- This is a 12-kilometre detour and residents are encouraged to allow for this when planning daily travel that would otherwise utilise the level crossing.
- Glenn Road will remain accessible during the works
- Residents, business and road users may also experience:
  - Construction machinery and vehicle movement.
  - Increased levels of dust, noise, and vibrations.
  - Temporary traffic changes, including lane closures, temporary traffic lights, minor traffic delays and reduced speed limits.

#### Funding

*Lansdown Eco-Industrial Precinct is Jointly funded by the Australian Government and Queensland Government, in association with Townsville City Council.*
