

Waiver of Disposal Fees for Charity Bin Waste Policy

Waste Reduction and Recycling Act 2011

1. POLICY STATEMENT

Council will waive the fees associated with disposal of waste from charity bins for charitable organisations that operate a charity bin service to raise funds for a charitable purpose.

2. PRINCIPLES

Many charitable organisations in the Townsville local government area operate charity bins to encourage donations of quality or used items which are collected for the purpose of resale in retail outlets to raise funds for charitable purposes. In operating charity bins, these organisations are often burdened by the costs of disposing of illegally dumped, unusable waste items deposited at charity bins. Council is committed to supporting charitable organisations, whose charitable operations enhance community wellbeing and opportunity, by providing a waiver of waste disposal fees at council-operated waste disposal sites for waste from charity bins.

3. SCOPE

This policy applies to Council workers and to charitable organisations who dispose of charity bin waste at Council-operated waste disposal sites.

4. RESPONSIBILITY

Managers and Supervisors are responsible for ensuring this policy is understood and adhered to by all personnel.

The General Manager Townsville Water and Waste, or a delegate, is responsible for approving waivers under this policy.

6. POLICY

6.1 WAIVER OF WASTE DISPOSAL FEES

Upon application made in advance, Council will agree to provide a waiver of the fees associated with the disposal of charity bin waste to charitable organisations who the Council is satisfied meet the eligibility requirements set out in this policy.

If a charitable organisation is successful in applying for a waiver of waste disposal fees under this policy, Townsville Waste Services will issue a Certificate of Waiver to the organisation.

6.2 CHARITY BIN WASTE

A waiver of waste disposal fees under this policy is only applicable to the disposal of charity bin waste.

On each attendance at a waste disposal site where a charitable organisation wishes to redeem a waiver of waste disposal fees under this policy, the waste load is subject to inspection by a representative or representatives of Townsville Waste Services to determine whether the waste being disposed of meets the definition of charity bin waste. If, at the time of inspection, Townsville Waste Services determines that a particular load of waste does not meet the definition of charity bin waste, Townsville Waste Services may refuse to apply the waiver to the disposal.

In order for the waiver to be applied to a particular delivery of charity bin waste to a waste disposal site, the charity bin waste must not be mixed with other wastes.

6.3 CONDITIONS OF DISPOSAL

To redeem a waiver of waste disposal fees granted under this policy, the charitable organisation must:

- provide a copy of the Certificate of Waiver on each attendance at a waste disposal site to dispose of charity bin waste; and
- deliver the charity bin waste to a waste disposal site in a vehicle of a registration number notified to Townsville Waste Service at the application stage.

6.4 EXPIRY/CANCELLATION OF WAIVER

A Certificate of Waiver will continue until it is withdrawn by council (which council may do at its absolute discretion upon 30 days' notice) or immediately that the organisation ceases to be a charitable organisation under this policy.

If, when carrying out an inspection of a waste load under clause 6.2, Townsville Waste Services has determined on two or more occasions, under clause 6.2, that a charitable organisation's waste load does not meet the definition of charity bin waste, Townsville Waste Services may cancel the Certificate of Waiver by notice to the charitable organisation
