

WILLIAM ANGLISS / MERVYN CROSSMAN DR INTERSECTION UPGRADE PROJECT

Stage 2 of the William Angliss/ Mervyn Crossman Project will begin at the end of February 2017.

Motorists are encouraged to consider alternative routes to avoid delays. Schools and sporting venue access around the intersection will be maintained (refer to map on reverse side).

Changed traffic conditions will remain in place until the end of April 2017; when construction will move to the intersection.

A revised traffic plan will be issued closer to the start of these works.

For more information visit council's website www.townsville.qld.gov.au or call 1300 878 001.
