

Prepare a pet GRAB-AND-GO disaster kit.

PLAN. PREPARE. SURVIVE.

WHAT TO PACK IN YOUR PET DISASTER KIT

Water, food, medications

Canned food should be single sized, as you may not have access to a fridge

- 1 week supply of water for each pet
- 1 week supply of canned or dry food for each pet, stored in waterproof containers
- Travel bowls for food and water, e.g. fold up bowls
- Manual can opener if using cans
- Feeding instructions for each animal
- Two week's supply of any medications (if applicable)
- Medication instructions (if applicable)
- One dose of flea, tick and heartworm treatment
- Pet first aid book and kit – or ask your vet what they recommend including for first aid

Documents

Include a photo of you and your pet together to help prove ownership if you get separated.

- Your contact information, including an alternative contact person
- Contact information for your vet (check they have your correct contact details too)
- Phone numbers for the Animal Shelter and local Council (check that Council has correct details for you too)
- Copy of your pet's current vaccination record and medical summary
- Current pet photos and descriptions
- Phone numbers and address of where you and your pet might be staying in an emergency, e.g. pet-friendly motel, cattery or dog boarding kennel
- Waterproof wallet to store these records

Other supplies

Aluminium roasting pans are perfect for temporary litter trays. Newspaper or paper towels can be used for litter

- Collar with name and phone number attached, leash and/or harness
- Secure portable carriers to help transport animals safely
- Towels and blankets for bedding, warmth and to reduce stress
- Pet toys
- Litter box and litter, poop scoop and plastic bags for animal litter clean-up, and disposal
- Cleaning supplies for accidents (paper towels, plastic bags, disinfectant)
- Zip ties can be used if required for strong and easy fixtures to cages/collars
