Down Up, Down Up - Extra Challenge Ideas

1

Spaghetti Tower

- Using dry spaghetti and marshmallows, see if you can make a tower.
- If the spaghetti breaks, can you use the broken pieces?
- How tall can you go?

2

Boat in the Bathtub

- Make a boat out of aluminium foil. Any design you want. See if it will float in your bathtub or sink.
- Start adding items like Lego bricks into the boat.
- How much can it hold before it sinks?

3

Farmyard Fun

- Build a farm out of Lego.
- How many pens will you need? Do you need a house?
- How high can the fences go?
- Will the animals enjoy living on your farm?
