## Gregory Street Water Main Works

Friday, 3 October 2025

### What works are coming up?

Townsville City Council is progressing pathway works along Gregory Street and preparing to undertake underground water main upgrades at four locations surrounding the intersection of Gregory and Mitchell Streets in North Ward.

This project forms part of Council's annual water maintenance program, which aims to maintain and enhance Council-controlled water networks to ensure our community's connectivity needs are met and support the ongoing growth of our region.

### When will the works take place?

<b>Location</b>	<b>Mitchell and Gregory Street Intersection, North Ward</b>
<b>Timing</b>	<p>Works will take place on five nights depending on weather and project conditions:</p> <ul style="list-style-type: none"> <li>• <b>Tuesday 7 &amp; Wednesday 8 October 2025</b></li> <li>• <b>Thursday 9 October 2025</b></li> <li>• <b>Monday 13 October 2025</b></li> <li>• <b>Tuesday 14 October 2025</b></li> </ul>
<b>Hours</b>	<p>Normal work hours are from <b>6pm to 6am over these nights</b>. In exceptional cases, work may be required outside these hours.</p> <p>Due to the nature of these works, traffic detours will be in place. Motorists should follow all traffic control directions and detours.</p>

### What will the works include?

As part of this project, Council will construct new water mains under the road near the Mitchell and Gregory Streets roundabout.

### What does this mean for me?

If you work in, reside in, or are travelling through the area, you may experience:

- construction machinery and vehicle movement
- increased levels of dust, noise, vibrations and flashing lights
- temporary traffic changes, including minor traffic delays and reduced speed limits.

### Funding

Proudly funded by the Queensland Government's Works for Queensland program in association with Townsville City Council.
