Good Morning,

Apologies, we removed reference to the operational works for advertising devices as we have decided to proceed without. The advertising device will be dealt with in a future application.

Please let me know if you have any further queries.

Kind regards,

Hi Libby,

I have been allocated the abovementioned application for 30 Paxton Street North Ward. The application material refers to a "Panel Sign" however I haven't been able to locate any plan for the signage in the application package.

Can you please send the signage plans through to development assessment and cc my email. I require this to be able to confirm the assessment fee for business support team.

Thankyou in advance,

Kate Wilkes
