Acknowledgement to Country

Townsville City Council would like to acknowledge the Bindal and Gurambilbarra Wulgurukaba peoples as Traditional Owners of the land on which our Council operates. We pay respect to Elders past, present and future and value the traditions, cultures and aspirations of the first Australians of this land. We acknowledge and hold in great significance the valuable contribution that Traditional Owners have made and continue to make within the Townsville community.

Contributions

The contributions and cooperation of Townsville City Council and the Townsville community throughout the strategy development process are gratefully acknowledged. Particular thanks are extended to the Townsville City Council Mayor, Councillors and Officers, and Advisors from Queensland Government Sport and Recreation Services, Townsville.

The Queensland Government provided \$29,975 to Townsville City Council to develop a 10-year sport and recreation facility strategy for Townsville City to enable Queenslanders to participate in sport and recreation activities.

1. Draft Strategy Feedback

Feedback was gathered as part of the second round of community engagement. The draft report was prepared, advertised and made available to the stakeholders and public for comment. Participants who were consulted directly as part of the first round of community engagement were contacted for their feedback. This feedback has been considered and applied to the final strategy as applicable.

There were 361 feedback responses received. The following diagrams outline responses by sport, type of recommendations and required actions.
