

Application for Tree Removal on Public Land

Privacy Statement

Townsville City Council collects and manages personal information in the course of performing its activities, functions and duties. We respect the privacy of the personal information held by us. The way in which council manages personal information is governed by the *Information Privacy Act 2009 (Qld)*. We are collecting your personal information in accordance with *Local Government Act 2009* so that we can assess your application, contact you for further details and notify you of any outcomes. Generally, we will not disclose your personal information outside of Council unless we are required to do so by law, or unless you have given us your consent to such disclosure. For further information about how we manage your personal information please see our [Information Privacy Policy](#).

General Information

Council will not remove trees for the following reasons:

1. Fruits, seeds, flowers and leaves:
Council will not remove trees for dropping fruit, seed, flowers or leaves as this is a normal process for all trees.
2. Overhanging new pool or solar panels:
Council will not remove trees if they were planted prior to the installation of pools or solar panels. It is the responsibility of the installation company to make sure the installation site is not in conflict with existing trees and shade.
3. Obstruction of view:
Council does not remove trees that are interfering with private scenic views.
