## How do I update my e-newsletter preferences?

Subscribers can update their profiles when they click the Update Preferences link in any Townsville City Council newsletter. The link will take you to a form where you can select which newsletters you wish to subscribe to.

When a subscriber visits the signup form anywhere on the web, they'll be able to fill it out as normal. If you try to sign up with an email address that's already subscribed, you will see an error message.
