SCHEDULE 2 - THEATRE, GALLERIES, VENUE HIRE

SCHEDULE 2 POLICIES

VENUE HIRE APPROVAL POLICY

Venue hire is subject to Council approval. The payment of fees or submission of a booking request does not guarantee the right to hire any Council venue. All hire applications will be assessed individually, taking into consideration factors including, but not limited to:

- the anticipated number of attendees,
- the nature, purpose, and activities associated with the event,
- suitability of the venue for the proposed use,
- potential impacts on amenity, safety, and operations,
- the requirement for catering, alcohol, infrastructure or technical services, and
- any other relevant operational, risk, or compliance considerations.

Council retains absolute discretion to approve, conditionally approve, or decline any booking request. Approval may be subject to conditions, including (but not limited to) limitations on attendance numbers, time of use, access arrangements, security requirements, or other conditions deemed necessary to ensure safe and appropriate use of the venue.

Hirer Category

The following hirer categories apply to all venue hire fees within Schedule 2. Hirers must nominate their category and provide documentation to demonstrate eligibility. Where a hirer is unable to demonstrate eligibility for any discounted category, the Commercial rate will apply by default.

Classification is determined based on both the type of organisation and the nature of the proposed activity or event. Council may apply a different category where the activity materially differs from the hirer's original purpose.

Commercial Hirer

A Commercial Hirer is defined as:

- A registered commercial business or entity (e.g. sole trader, company, partnership, or trust) whose primary business model is intended to generate revenue and return profits to owners, directors, or shareholders; or
- Any individual, group, or organisation that conducts an activity with a commercial purpose or commercial characteristics, including the charging of entry fees, participation fees, or other consideration above thresholds determined by Council.

Examples: Production companies; for-profit event organisers; corporate entities; businesses conducting paid classes, workshops, or commercial activities.

Exclusions: For clarity, a Commercial Hirer does not include a Schools Hirer, where venue use is directly related to educational delivery as defined under the Schools Hirer category.

SCHEDULE 2 - THEATRE, GALLERIES, VENUE HIRE [continued]

Community Hirer

A Community Hirer is:

- A community group, club, association, or informal organisation,
- Whose primary purpose is community participation, recreation, culture, hobby, or social connection, and
- Not established to make a profit, and
- Not required to be formally incorporated.

This category applies to grassroots, volunteer-driven groups or local collectives whose activities benefit the community but are not formally structured as Not-for-profit entities.

Examples: Unincorporated community activity groups; volunteer cultural or hobby groups; local community clubs without formal NFP registration.

Exclusions: This category excludes schools and structured education providers, which are classified under the Schools Hirer category.

Not-for-profit (NFP) Hirer

A Not-for-profit hirer must:

- Be formally registered as an Incorporated Association or Company Limited by Guarantee, and
- Operate for community, cultural, sporting, environmental, educational, or charitable purposes, and
- Reinvest any surplus back into the organisation.

Where the hirer is a charity registered with the Australian Charities and Not-for-profits Commission (ACNC), eligibility for the Not-for-profit hirer category is limited to small and medium charities, as classified by the ACNC for the relevant reporting period.

Large charities, as classified by the ACNC, are not eligible for Not-for-profit hire rates and will be classified and charged as Commercial Hirers for the purposes of Schedule 2.

Registration with the Australian Charities and Not-for-profits Commission (ACNC) is preferred (but not mandatory).

Examples: Registered charities (small or medium); incorporated community organisations; NFP arts organisations; sporting clubs incorporated under the Associations Incorporation Act.

Exclusions: Educational institutions and Schools Hirers are excluded from this category and assessed under the Schools Hirer classification, regardless of not-for-profit status.

SCHEDULE 2 - THEATRE, GALLERIES, VENUE HIRE [continued]

A Private Hirer is:

- An individual or group hiring a venue for a private, non-commercial, and non-public purpose; and
- The activity does not generate revenue, charge entry fees, or seek public attendance.

Examples: Private celebrations; ceremonies; family gatherings; private rehearsals not connected to a commercial entity.

Exclusions: The activity must not involve commercial promotion, ticketed public attendance, or profit-making activity of any kind.

Schools Hirer

A Schools Hirer is:

- A recognised primary, secondary or tertiary educational institution, or
- A structured performing arts education provider (including dance schools, drama schools, music schools or musical theatre academies),
- Whose primary purpose is the delivery of education, training or instruction to enrolled students.

This category applies to education-focused organisations delivering structured learning programs, including performing arts education.

Examples: Government and Private schools, TAFE and tertiary institutions, private dance schools, drama or musical theatre schools, music academies.

Other Government Entities

Includes local, state, and federal government bodies, agencies, authorities, government-owned corporations, or other government-funded entities.

Examples: Queensland Government departments; Commonwealth agencies; statutory authorities; other local government councils.

Exclusions: State schools and government funded educational institutions are classified as Schools Hirers for the purposes of Schedule 2.

SCHEDULE 2 - THEATRE, GALLERIES, VENUE HIRE [continued]**Hirer Category Discount Policy**

The following policy governs how discounts are applied to venue hire fees.

Scope of Discounts

Discounts apply to venue hire fees only and do not apply to staffing, equipment hire, ticketing fees, utilities, cleaning, security, or other service charges unless explicitly stated.

Default Rate Rule

The Commercial rate is the default rate. If a hirer does not provide sufficient evidence to demonstrate eligibility for a discounted category, the hirer will be charged the Commercial rate.

Council may request supporting documentation, and failure to provide adequate evidence, or providing misleading evidence, will result in classification as a Commercial Hirer.

Council retains absolute discretion to determine the appropriate hirer category and applicable fees based on the information provided and the nature of the proposed use.

Council reserves the right to review and retrospectively amend the hirer classification and applicable fees where the actual use differs from the information provided at the time of booking.

Discount Rates

Hirer Category	Venue Hire Discount Applicable
Commercial	No discounts applicable
Community	50% discount off the listed commercial venue hire rate
Not-for-profit	50% discount off the listed commercial venue hire rate
Private	10% discount off the listed commercial venue hire rate
Schools Hirer	50% discount off the listed commercial venue hire rate

Note:

- Discounts cannot be combined.

SCHEDULE 2 - THEATRE, GALLERIES, VENUE HIRE [continued]

Security / Damage Deposits

The use of council venues, community facilities, parks, and sporting grounds may require the payment of a deposit, including a damage deposit and/or a key deposit (or key replacement fee where applicable).

Refer to Schedule 2, Part 2.G for applicable security / damage deposit and key deposit charges.

Types of Deposits

- **Damage Deposit:** A refundable deposit held as security against damage to facilities, fixtures, equipment, grounds, or for extraordinary cleaning or remediation costs attributable to the hire.
- **Key Deposit:** A deposit or fee applicable when physical keys or access devices are issued. A key deposit is refundable upon safe return of all keys/devices. A key replacement fee may be charged where keys/devices are lost, not returned, or compromised.

Determination of Deposit Amounts

Deposit requirements and amounts are determined by Council having regard to factors including (but not limited to):

- Venue classification and activity risk profile
- Event scale and expected attendance
- Presence of alcohol or high-risk activities
- Temporary infrastructure (e.g. staging, generators, marquees)
- Hirer's prior compliance and damage history

Council Discretion

Council may increase, reduce, waive, or require deposits based on a risk assessment, venue conditions, and prior usage history.

Payment, Holding and Refunds

- Deposits must be paid in full by the due date specified in the booking confirmation.
- Deposits are held until a reasonable post-event inspection and reconciliation is completed.
- Where no damage, loss, or extraordinary cleaning is identified, deposits will be refunded to the original payer within the standard Council processing timeframe.
- Where damage, loss, or additional costs are identified, Council may deduct the relevant amount from the deposit and will provide a statement of reasons and, where applicable, supporting evidence.
- If costs exceed the deposit held, the hirer remains liable for the balance.

Key Management

All keys/access devices must be collected and returned in accordance with the instructions and timelines provided in the booking confirmation. Failure to return keys/devices on time, or loss/compromise of keys/devices, may result in withholding of the key deposit. Where a lost, unreturned, or compromised key/device necessitates rekeying, lock replacement, or reprogramming of access systems, the full cost of such works will be recovered from the hirer.

Venue hire may be subject to additional charges under other applicable provisions. See Schedule 2, Part 2.H for staffing, cleaning, and security charges, and Schedule 2, Part 2.G for damage, and security deposits.

- suitability of the parkland, open space, or site for the proposed use,
- potential impacts on amenity, safety, and operations,
- the requirement for catering, alcohol, infrastructure or technical services, and
- any other relevant operational, risk, or compliance considerations.

Council retains absolute discretion to approve, conditionally approve, or decline any booking request. Approval may be subject to conditions, including (but not limited to) limitations on attendance numbers, time of use, access arrangements, security requirements, or other conditions deemed necessary to ensure safe and appropriate use of the parkland, open space, or site.

For the purposes of this Schedule, 'site' refers to any Council-controlled parkland, open space, reserve, or outdoor area available for hire.

Hirer Category

The following hirer categories apply to all parkland and open space hire fees within Schedule 3. Hirers must nominate their category and provide documentation to demonstrate eligibility. Where a hirer is unable to demonstrate eligibility for any discounted category, the Commercial rate will apply by default.

Classification is determined based on both the type of organisation and the nature of the proposed activity or event. Council may apply a different category where the activity materially differs from the hirer's original purpose.

Commercial Hirer

A Commercial Hirer is defined as:

- A registered commercial business or entity (e.g. sole trader, company, partnership, or trust) whose primary business model is intended to generate revenue and return profits to owners, directors, or shareholders; or
- Any individual, group, or organisation that conducts an activity with a commercial purpose or commercial characteristics, including the charging of entry fees, participation fees, or other consideration above thresholds determined by Council.

Examples: Production companies; for-profit event organisers; corporate entities; businesses conducting paid classes, workshops, or commercial activities.

Exclusions: For clarity, a Commercial Hirer does not include a Schools Hirer, where venue use is directly related to educational delivery as defined under the Schools Hirer category.

SCHEDULE 3 - PARKLAND, OPEN SPACE, AND EVENTS [continued]

Community Hirer

A Community Hirer is:

- A community group, club, association, or informal organisation,
- Whose primary purpose is community participation, recreation, culture, hobby, or social connection, and
- Not established to make a profit, and
- Not required to be formally incorporated.

This category applies to grassroots, volunteer-driven groups or local collectives whose activities benefit the community but are not formally structured as Not-for-profit entities.

Examples: Unincorporated community activity groups; volunteer cultural or hobby groups; local community clubs without formal NFP registration.

Exclusions: This category excludes schools and structured education providers, which are classified under the Schools Hirer category.

Not-for-profit (NFP) Hirer

A Not-for-profit hirer must:

- Be formally registered as an Incorporated Association or Company Limited by Guarantee, and
- Operate for community, cultural, sporting, environmental, educational, or charitable purposes, and
- Reinvest any surplus back into the organisation.

Where the hirer is a charity registered with the Australian Charities and Not-for-profits Commission (ACNC), eligibility for the Not-for-profit hirer category is limited to small and medium charities, as classified by the ACNC for the relevant reporting period.

Large charities, as classified by the ACNC, are not eligible for Not-for-profit hire rates and will be classified and charged as Commercial Hirers for the purposes of Schedule 3.

Registration with the Australian Charities and Not-for-profits Commission (ACNC) is preferred (but not mandatory).

Examples: Registered charities (small or medium); incorporated community organisations; NFP arts organisations; sporting clubs incorporated under the Associations Incorporation Act.

Exclusions: Educational institutions and Schools Hirers are excluded from this category and assessed under the Schools Hirer classification, regardless of not-for-profit status.

SCHEDULE 3 - PARKLAND, OPEN SPACE, AND EVENTS [continued]

Private Hirer

A Private Hirer is:

- An individual or group hiring a venue for a private, non-commercial, and non-public purpose; and
- The activity does not generate revenue, charge entry fees, or seek public attendance.

Examples: Private celebrations; ceremonies; family gatherings; private rehearsals not connected to a commercial entity.

Exclusions: The activity must not involve commercial promotion, ticketed public attendance, or profit-making activity of any kind.

Schools Hirer

A Schools Hirer is:

- A recognised primary, secondary or tertiary educational institution, or
- A structured performing arts education provider (including dance schools, drama schools, music schools or musical theatre academies),
- Whose primary purpose is the delivery of education, training or instruction to enrolled students.

This category applies to education-focused organisations delivering structured learning programs, including performing arts education.

Examples: Government and Private schools, TAFE and tertiary institutions, private dance schools, drama or musical theatre schools, music academies.

Other Government Entities

Includes local, state, and federal government bodies, agencies, authorities, government-owned corporations, or other government-funded entities.

Examples: Queensland Government departments; Commonwealth agencies; statutory authorities; other local government councils.

Exclusions: State schools and government funded educational institutions are classified as Schools Hirers for the purposes of Schedule 3.

Default Rate Rule

The Commercial rate is the default rate. If a hirer does not provide sufficient evidence to demonstrate eligibility for a discounted category, the hirer will be charged the Commercial rate.

Council may request supporting documentation, and failure to provide adequate evidence, or providing misleading evidence, will result in classification as a Commercial Hirer.

Council retains absolute discretion to determine the appropriate hirer category and applicable fees based on the information provided and the nature of the proposed use.

Council reserves the right to review and retrospectively amend the hirer classification and applicable fees where the actual use differs from the information provided at the time of booking.

Refer to Schedule 2, Part 2.G for applicable security / damage deposit and key deposit charges.

Types of Deposits

- **Damage Deposit:** A refundable deposit held as security against damage to facilities, fixtures, equipment, grounds, or for extraordinary cleaning or remediation costs attributable to the hire.

- Presence of alcohol or high-risk activities
- Temporary infrastructure (e.g., staging, generators, marquees)
- Hirer's prior compliance and damage history

Council Discretion

Council may increase, reduce, waive, or require deposits based on a risk assessment, venue conditions, and prior usage history.

Payment, Holding and Refunds

- Deposits must be paid in full by the due date specified in the booking confirmation.
- Deposits are held until a reasonable post-event inspection and reconciliation is completed.
- Where no damage, loss, or extraordinary cleaning is identified, deposits will be refunded to the original payer within the standard Council processing timeframe.
- Where damage, loss, or additional costs are identified, Council may deduct the relevant amount from the deposit and will provide a statement of reasons and, where applicable, supporting evidence.
- If costs exceed the deposit held, the hirer remains liable for the balance.

Key Management

All keys/access devices must be collected and returned in accordance with the instructions and timelines provided in the booking confirmation. Failure to return keys/devices on time, or loss/compromise of keys/devices, may result in withholding of the key deposit.
