

Works Notification

Picnic Bay – Public Amenities Renewal

Monday, 10 February 2025

What works are coming up?

Council is carrying out a project to renew the public amenities in Yule Street, Picnic Bay on Magnetic Island.

This work is necessary as the existing amenities have reached the end of their useful life and are no longer compliant or functional.

The Magnetic Island community consultation in 2023 favoured upgrading the amenities at their current location.

When will the works take place?

Location	Yule Street, Picnic Bay – Magnetic Island
Timing	From Monday 17 February 2025 and are expected to take four (4) months to complete, weather and project conditions permitting.
Hours	Normal work hours are from 6am to 6pm Monday to Saturday . In exceptional cases, work may be required outside these hours.

What will the works include?

- Demolition of the existing amenities and septic system
- Construction of new amenities and associated services including water and sewer connections

- Site remediation for disturbed areas following construction
- The new public amenities will include unisex accessible and ambulant facilities.

Funding

This project is proudly funded by the Queensland Government's Works for Queensland program.

What does this mean for me?

If you live in or are travelling through the area, you may experience:

- Construction machinery and vehicle movement
- Increased levels of dust, noise, and vibrations
- Temporary public amenities will remain during the construction period and will be removed once the new facilities are completed
- Works will not impact the bus stop. The playground may be affected at times.
