2	15 / 11/ 2016 forwarded from ICAC facilitator	Marthisa Andrews - Department of Corrective Services/Probation and Parole	Provision of Community Service Workers within Council	Queensland Corrective Services supervises persons throughout Queensland who are ordered by courts to perform unpaid community service and are on reparation orders. Corrective Services would like to discuss with council where they stand in supporting the provision of community service workers with community based projects that council manage across the region. Offenders who are on reparation orders can be a great asset in providing the local community with various benefits ie. parks/gardens beautification, Cemetery beautification, graffiti removal, recycling projects to name a few. Research suggests that more meaningful projects that demonstrate key benefits for the community can lead to a reduction in recidivism and completion of community service hours are more likely.
