ACKNOWLEDGEMENT OF COUNTRY

The Townsville City Council would like to acknowledge the Bindal and Gurambilbarra Wulgurukaba peoples as Traditional Owners of the land on which our Council operates. We pay respect to Elders past, present and future and value the traditions, culture and aspirations of the first Australians of this land. We acknowledge and hold in great significance the valuable contribution that Traditional Owners have made and continue to make within the Townsville Community.

Goals and Objectives of Townsville City Council >>

Corporate Plan >>

Goal 1 - A Prosperous City

Deliver a strong and innovative economy for Townsville with sustainable growth and support for local jobs and businesses.

Objectives that identify our strategic intent:

- 1.1 Support local businesses, major industries, local innovation and employment growth.
- 1.2 Promote our economic and geographic strengths and market Townsville as a vibrant destination for commerce, education, research, tourism, entertainment and lifestyle.
- 1.3 Plan, support, provide and advocate for infrastructure and investment that supports innovation, residential and economic growth.
- 1.4 Maximize opportunities for economic growth by building and maintaining effective partnerships.

Goal 2 - A City for People

Enhance people's experience of Townsville as a liveable and vibrant city by providing services that support the growth of an inclusive, knowledgeable, active, safe and healthy community.

Objectives that identify our strategic intent:

- 2.1 Provide services and local infrastructure that meet community expectations, support growth and provide for the needs of our community.
- 2.2 Improve the liveability of Townsville and encourage active and healthy lifestyles by providing accessible public facilities and community infrastructure.
- 2.3 Improve the vibrancy of Townsville by supporting the community's access to, and participation in, a range of artistic, cultural and entertainment activities.
- 2.4 Enhance community knowledge of and access to council services to improve community wellbeing, health and safety.

Goal 3 - A Clean and Green City

Create a sustainable future for Townsville through the protection, maintenance and enhancement of our unique, natural and built environment.

Objectives that identify our strategic intent:

- 3.1 Plan, design and deliver sustainable development and support this by actively managing the natural environment and increasing green infrastructure, at both a city, suburb and place level.
- 3.2 Develop and implement long term solutions for the management of water and waste that are socially, financially and environmentally sound.

Goal 4 - A Simpler, Faster, Better Council

Transform the Townsville City Council into a simpler, faster and better council that is easy to work with, and for, and gains community trust by being transparent and managing its resources.

Objectives that identify our strategic intent:

- 4.1 Provide customer-focused services that meet the expectations of our community in a dynamic and adaptive manner.
- 4.2 Ensure that council's plans, services, decisions and priorities reflect the needs and expectations of the community.
- 4.3 Be a valued and committed employer who provides a productive, inclusive and respectful environment for staff and the community.
- 4.4 Improve financial sustainability and provide value and accountability to the community for the expenditure of public funds.
- 4.5 Ensure that public funds are expended efficiently and that council expenditure represents value for money whilst supporting the local economy.

Community Safety Advisory Committee

Purpose of the Community Safety Advisory Committee

The Community Safety Advisory Committee is a community engagement body that will assist in identifying, and offering advice on current and emerging community safety and crime prevention concerns within the community, providing feedback on Council projects and initiatives relevant to the community.

The Community Safety Advisory Committee has been established in accordance with section 264 of the *Local Government Regulation 2012* ("the Regulation").

CSAC Member interaction with media:

Media (TV or newspaper agencies) may be in attendance at meetings and may wish to speak with committee members. It is important to be aware that as a member of the CSAC you are representing and speaking on behalf of your organisation. We would advise that you seek confirmation as to your organisation's media policies, and inform the Meeting Facilitator if you have any issues / concerns.

5.8.6 Audio or video recording of a meeting – as per Townsville City Council, Code of Meeting Practice

Only authorised persons may make an audio or video recording of a meeting in accordance with Section 35 of Local Law No. 1 (Administration) 2011.

A person is authorised to make an audio or video recording of the meeting if the Chairperson consents to the recording being made. A record of the Chairperson's consent made in the minutes of the meeting (or the report of a committee meeting) is "written consent" for the purposes of Section 35 of Local Law No. 1 (Administration) 2011.

Stronger Communities role

- Deal with the causes, not the symptoms
- Working with families, not just individuals, to break the cycle
- Coordinating services for children (10-16) who have a history of offending or are at-risk of offending
- Coordinating services for 17-year-olds leaving Townsville Correctional Centre
- Services include those that address problems with housing, education, mental health, drug use.

Who are typical youth offenders?

- Usually from traumatised backgrounds and chaotic families
- More than 80 per cent of those in the youth justice system are known to child protection
- More than a third are on joint Child Safety/Youth Justice orders
- Almost one quarter are homeless or live in unsuitable accommodation

Who are typical youth offenders?

- 79 per cent were known to use at least one substance (e.g. drugs, alcohol)
- 52 per cent had been diagnosed with, or suspected to have, at least one mental health disorder
- 49 per cent had at least one diagnosed, or were suspected to have at least one, behavioural disorder
- 36 per cent of young people of compulsory school age were not enrolled in education
- 61 per cent were disengaged, suspended or expelled, or attending irregularly

Day-to-day examples of our work

- Connecting families with a wide range of services
- Priority Profiling of young property offenders
- Re-engaging young people with school or training
- Working with 17-year-olds at Stuart Prison before and after their release
- Resolving complaints surrounding public housing
- Supporting families to move closer to family networks
- Work with parents to attend their children's court appearances
- Working with school principals on security issues
- Place-based activities
- Assisting YINDA with cultural mentoring
- Identifying vulnerable youth through street-check data

Where to from here?

- Long process with some disappointments along the way
- Increased engagement with NGO and agencies
- Intensive and on-going intervention is required in many instances
- No overnight fix to break the cycle

Thank you
