Goals and Objectives that identify strategic intent of Townsville City Council

Corporate Plan

Goal 1 - A Prosperous City

Deliver a strong and innovative economy for Townsville with sustainable growth and support for local jobs and businesses.

Objectives that identify our strategic intent:
1.1 Support local businesses, major industries, local innovation and employment growth.
1.2 Promote our economic and geographic strengths and market Townsville as a vibrant destination for commerce, education, research, tourism, entertainment and lifestyle.
1.3 Plan, support, provide and advocate for infrastructure and investment that supports innovation, residential and economic growth.
1.4 Maximize opportunities for economic growth by building and maintaining effective partnerships.

Goal 2 - A City for People

Enhance people’s experience of Townsville as a liveable and vibrant city by providing services that support the growth of an inclusive, knowledgeable, active, safe and healthy community.

Objectives that identify our strategic intent:
2.1 Provide services and local infrastructure that meet community expectations, support growth and provide for the needs of our community.
2.2 Improve the liveability of Townsville and encourage active and healthy lifestyles by providing accessible public facilities and community infrastructure.
2.3 Improve the vibrancy of Townsville by supporting the community’s access to, and participation in, a range of artistic, cultural and entertainment activities.
2.4 Enhance community knowledge of and access to council services to improve community wellbeing, health and safety.

Goal 3 - A Clean and Green City

Create a sustainable future for Townsville through the protection, maintenance and enhancement of our unique, natural and built environment.

Objectives that identify our strategic intent:
3.1 Plan, design and deliver sustainable development and support this by actively managing the natural environment and increasing green infrastructure, at both a city, suburb and place level.
3.2 Develop and implement long term solutions for the management of water and waste that are socially, financially and environmentally sound.

Goal 4 - A Simpler, Faster, Better Council

Transform the Townsville City Council into a simpler, faster and better council that is easy to work with, and for, and gains community trust by being transparent and managing its resources.

Objectives that identify our strategic intent:
4.1 Provide customer-focused services that meet the expectations of our community in a dynamic and adaptive manner.
4.2 Ensure that council’s plans, services, decisions and priorities reflect the needs and expectations of the community.
4.3 Be a valued and committed employer who provides a productive, inclusive and respectful environment for staff and the community.
4.4 Improve financial sustainability and provide value and accountability to the community for the expenditure of public funds.
4.5 Ensure that public funds are expended efficiently and that council expenditure represents value for money whilst supporting the local economy.

ACKNOWLEDGEMENT OF COUNTRY

The Townsville City Council would like to acknowledge the Bindal and Gurambilbarra Wulgurukaba peoples as Traditional Owners of the land on which our Council operates. We pay respect to Elders past, present and future and value the traditions, culture and aspirations of the first Australians of this land. We acknowledge and hold in great significance the valuable contribution that Traditional Owners have made and continue to make within the Townsville Community.

CARRIED UNANIMOUSLY

Disclosure of Interests

(i) The Mayor, Councillor J Hill provided the following declaration:

"Yesterday, a number of changes to Local Government legislation received the Royal Assent and became law. In particular, the requirements for all Councillors around declaring material personal interests and real or perceived conflicts of interest at Council meetings have now changed.

As a result of these changes, I am proposing that two items on today’s agenda be referred to the CEO under delegation in accordance with section 175E of this new legislation. I will also be writing to the Integrity Commissioner to obtain some clarification of how these changes will operate in practice.

The first item to be referred to the CEO under delegation is item 7 on the agenda as one of the tenderers is BMD Group. BMD Group had donated $10,000 to the Team Jenny Hill Campaign and this may create a perceived conflict of interest on this item. The amount of the donation received was declared on the Team Jenny Hill ECQ disclosures that are on the ECQ website.

I would like to note that the approach now required under legislation for the Council to refer these matters under delegation to the CEO is the same approach that this Council had already adopted for matters where Team Jenny Hill had been a recipient of an electoral donation. We had been taking this approach well before the current legislative reforms had even been drafted.

The second item to be referred to the CEO under delegation is item 14, in Confidential, regarding a stadium activation update involving the Cowboys. As you are aware and as many of the community well know, the Council is a very proud sponsor of the Cowboys. Under this commercial sponsorship arrangement with the Cowboys, the Council is allocated a number of tickets to Cowboys matches and these are used by Councillors, our staff and community groups.

Because of the benefits flowing to Councillors from receiving these tickets under our sponsorship arrangement, it seems under the new legislative reforms enacted yesterday that this may create a perceived conflict of interest. I therefore propose that this Item also be referred to the CEO under delegation."

(ii) Officer’s Reports - Material personal interest - Item 14 - Councillor A Greaney - Councillor Greaney advised that, as disclosed on her statement of interests already, she is a Board member of the Cowboys Leagues Club. In addition to receiving Board fees for being a director of the Cowboys Leagues Club, the Cowboys Leagues Club may also benefit from the transaction proposed in item 14 relating to the Stadium Precinct.
Council considered items 7 and 14 as the first items of business.

Committee Item

Infrastructure Services Committee

In accordance with section 175E of the Local Government Act 2009, the Mayor, Councillor J Hill and Councillors R Cook, V Coombe, A Greaney, P Jacob, M Molachino, M Ryder, M Soars and L Walker declared a perceived conflict of interest in regards to item 7.

(a) the name of the councillor who has a real conflict of interest or perceived conflict of interest in the matter:
   The Mayor, Councillor J Hill and Councillors R Cook, V Coombe, A Greaney, P Jacob, M Molachino, M Ryder, M Soars and L Walker.

(b) the councillor’s personal interests in the matter, including the particulars mentioned in section 175E (2) as described by the councillor;
   One of the tenderers is BMD Group. BMD Group had donated $10,000 to the Team Jenny Hill Campaign.

(c) the decisions made under section 175E (4) and the reasons for the decisions;
   Item 7 is referred to the Chief Executive Officer for consideration and decision.

(d) whether the councillor participated in the meeting, or was present during the meeting, under an approval under section 175F;
   Item 7 is referred to the Chief Executive Officer for consideration and decision.

(e) if the councillor voted on the matter—how the councillor voted on the matter;
   Item 7 is referred to the Chief Executive Officer for consideration and decision.

(f) how the majority of councillors who were entitled to vote at the meeting voted on the matter.
   Item 7 is referred to the Chief Executive Officer for consideration and decision.

7 Infrastructure Planning, Assets and Fleet - TCW00269 - Ingham Road / Webb Drive Intersection Upgrade Recommendation Report

Executive Summary

Council is undertaking the Ingham Road Intersections Upgrade Project to cater for increased traffic numbers, resolve traffic capacity issues and address key safety concerns within the Bohle industrial estate.

As part of the above project, this tender is for upgrade of the intersection of Ingham Road and Webb Drive by the installation of traffic signals and associated works.

Tenders were called for the contract, which is a lump sum contract for the works under the General Conditions of Contract AS4000 - 1997. The tender closed at 10am on 26 April 2018.

Four conforming tender submissions and one alternative tender were received.

A panel of three internal and external persons representing key stakeholders evaluated the submissions, and scored and ranked the submissions accordingly. This report and recommendation report, attached to the Report to Council, provides analysis, evaluation and recommendation for awarding TCW00269 – Ingham Road / Webb Drive Intersection Upgrade.
Officer’s Recommendation

1. That the report/attachment be deemed a confidential document and be treated as such in accordance with sections 171 and 200 (5) of the Local Government Act 2009 and that the document remain confidential unless Council decides otherwise by resolution.

2. That Council award tender TCW00269 Ingham Road / Webb Drive Intersection Upgrade to BMD Constructions Pty Ltd for the lump sum price of $3,948,610.32 (excluding GST).

3. That Council delegate authority to the Chief Executive Officer to award variations up to the approved project budget provided the variations are for the completion of the work under the contract.

Committee Recommendation

That this item be referred to the Chief Executive Officer for consideration and decision.

Council Decision

That the committee recommendation be adopted.

**Mayoral Minute**

The Mayor, Councillor J Hill provided the following Mayoral Minute:

"Councillors, community engagement is an essential part of the democratic process and the key to ensuring informed decision making by Council.

Council currently conducts a number of very successful community engagement activities, including Learning Communities Leadership Group, Street Art Working Group and a range of advisory committees.

These highly successful programs provide Council with invaluable feedback from specific groups within the Townsville community, however the time has now come to facilitate even wider community involvement in Council.

Today I am pleased to announce, with your endorsement, the establishment of the Community Council program, which represents the next stage of Council’s commitment to community engagement.

Community Councils will take place at venues across Townsville on weekday evenings commencing at 5.30pm, with the first venue to be the Clubhouse on the Green at North Shore on 18 July 2018.

Council representatives in attendance will include the Mayor, committee chairs, the relevant divisional councillor, the Chief Executive Officer, all directors, customer service officers, community engagement staff and media officer if required.

To make best use of this opportunity, members of the community will be invited to submit questions prior to Community Council or request a formal delegation relating to a specific issue. This will allow most issues to be addressed at the meeting. Alternately, members of the community will have the opportunity to informally meet with committee chairs after the meeting. Any requests for action or information from Council could then be taken on notice and followed up after the Community Council.

I recommend that Council support the establishment of Council’s Community Council program outlined in this minute, and further that it request the General Manager Community Engagement and Cultural Services to develop a detailed plan to bring the Community Council program to fruition."

**Council Decision**

It was MOVED by the Mayor, Councillor J Hill, SECONDED by Councillor L Walker:

"that Council support the establishment of Councillor J Hill’s Community Council program outlined in this Mayoral Minute, and further that it request the General Manager Community Engagement and Cultural Services to develop a detailed plan to bring the Community Council program to fruition."

Townsville Water and Waste Committee

It was MOVED by Councillor P Jacob, SECONDED by Councillor L Walker:

"that the committee recommendation to item 5 be adopted and that item 6 be dealt with separately."

CARRIED UNANIMOUSLY

Item 6 - Townsville Water and Waste - Tender Assessment TCW00226 Supply and Construction of Pump Station L1C including Rising Main and Gravity Sewer

Councillor P Jacob provided an overview of item 6.

Councillor R Cook provided the following statement:

"Residents through letters, emails, phone calls, individual meetings with residents and also a community meeting held in the park itself where over 20 residents attended all expressed their concerns.

These residents, who live in homes around and adjoining McConachy Park, have voiced their disapproval of this sewerage pump station being installed in the park itself.

While these residents acknowledge and accept the reasons for the sewerage pump station's installation their concerns are in the location being in a park that is regularly utilised by the residents and their families.

As the Councillor representing the residents in this area I take their concerns seriously and have been actively advocating for its installation to be investigated at possible other sites.

Four other locations were explored and while costings involved would have increased at each of these sites I feel that one site in particular Townsville City Council could have explored further with the view to these costings being reduced and possibly absorbed thereby allowing this installation to be done elsewhere other than McConachy Park."

Council discussed this item.

It was MOVED by Councillor P Jacob, SECONDED by Councillor L Walker:

"that the committee recommendation to item 6 be adopted."

CARRIED

In accordance with Council’s Meeting Procedures Policy where Council does not unanimously support an Officer’s Recommendation or an alternative resolution Councillors are to have recorded their reasons for doing so.

- he believes there is an alternate site that would be more suitable.
Executive Summary

The following Customer and Business Reports are submitted for Quarter 3, 2017/18:

2. Townsville Water Business Scorecard;
3. Townsville Waste Services Customer Service Standard Report Card; and

A summary of the results is provided in the Report Information section. Further detail can be found in the full versions of the four reports presented under separate cover.

Officer’s Recommendation

2. That Council note the publication of the Customer Service Standard Report Cards for Townsville Water and Townsville Waste Services for Quarter 3, 2017/18, which will be published on Council’s public website as soon as practicable after noting.

Committee Recommendation

That the officer’s recommendation be adopted.

Council Decision

Refer to resolution preceding item 5 of the Council minutes (page 10020) where Council resolved that the committee recommendation be adopted.

Executive Summary

Council has identified the need for a new sewage pump station, referred to as Pump Station L1C, a sewerage rising main and a gravity sewer in Cranbrook in order to service a proposed development and to address capacity issues within the Cranbrook sewer system.

The preliminary stages of the project incurred significant delays due to the public outcry from nearby residents. As a result a large amount of consultation was undertaken before the project could proceed to Council approval.

Tenders were invited for the supply and construction of an FRP Pump Station including connecting 250OD Polyethylene rising main and DN300 PVC gravity main with maintenance holes as well as an environmental overflow.

This report provides an analysis and evaluation of the tenders received for this project.
Officer's Recommendation

1. That the report/attachment be deemed a confidential document and be treated as such in accordance with sections 171 and 200 (5) of the Local Government Act 2009 and that the document remain confidential unless Council decides otherwise by resolution.

2. That Council award Tender TCW00226 for the Supply and Construction of Pump Station L1C to NQ Excavations Pty Ltd for the price of $1,489,734 excluding GST.

3. That Council delegate authority to the Chief Executive Officer, or her delegate, to award variations up to the approved project budget provided the variations are for the completion of the work under the contract.

4. That Council resolve to make application to the State to acquire a minimal amount of recreational reserve for operational purposes to facilitate the construction of pump station L1C and delegate to the Chief Executive Officer authority to complete the acquisition on terms acceptable to the Council.

Committee Recommendation

That the officer's recommendation be adopted.

Council Decision

Refer to resolution preceding item 5 of the Council minutes (page 10020) where Council resolved that the committee recommendation be adopted.
Infrastructure Services Committee

It was MOVED by Councillor M Molachino, SECONDED by Councillor V Coombe:

11 Planning Services - Outcome of Preliminary Point of Appeal, AP16/0006 Originating Application No. 333 of 2016, Parkside Development Ltd v Townsville City Council and Townsville Karting Club Inc.

Executive Summary

An application was filed in the Planning and Environment Court on 12 December 2016 by Parkside Development Pty Ltd (Parkside). Parkside sought orders for Townsville Karting Club Inc (Townsville Karting) to stop using land at Shaw Road, Bohle as a motor sport facility, except where the use is for Go-Kart racing or authorised by an effective development permit. Parkside contended the current development approval only authorised use of the land for Go-Kart racing, and that the absence of an effective permit adversely affected current residents in the nearby residential estate and the estate’s future development.

The court was asked to determine, as a preliminary point, whether the Townsville Karting’s current use of the land (for Go-Kart racing, driver training, motorcycle racing, car race track and other ancillary uses) was lawful. The court determined that use of the land other than for Go-Kart racing and Go-Kart practice sessions is outside the terms of the development approval and is unlawful.

Townsville Karting will likely seek development approval from Council for use of the land as a motor sport facility.

Officer’s Recommendation

That Council receive this report and note the outcome of the preliminary point of Appeal No 333 of 2016.

Committee Recommendation

That the officer’s recommendation be adopted.

Council Decision

Refer to resolution preceding item 11 of the Council minutes (page 10025) where Council resolved that the committee recommendation be adopted.
12 Planning Services - Outcome of High Court decision Pike v Tighe, Nora Road, Black River, AP15/0002

Executive Summary

On 29 May 2009, Council approved the reconfiguration of land situated at Nora Road Black River (one lot into two lots). Condition 2 of the development approval required an access and services and utilities easement over Lot 1 for the benefit of Lot 2. The subsequently registered easement did not cover the services and utilities condition. Kym and Michael Tighe (the Tighes) became the owners of Lot 1 in 2011 and Joshua James Pike and Natalie Patricia Pike (the Pikes) became the owners of Lot 2 in 2012.

The Pikes sought compliance with Condition 2 but the Tighes refused. The Pikes then filed an application in the Planning and Environment Court on 13 February 2015 seeking a declaration that Condition 2 had been contravened and an enforcement order that the Tighes comply with this condition.

On 9 March 2016, the court determined that Condition 2 ran with Lot 1 and that the Tighes had contravened the condition. An order was made for the Tighes to comply with the condition. The decision was overturned on 23 December 2016 by the Court of Appeal, however, on 14 March 2018 the High Court affirmed the decision of the Planning and Environment Court.

The High Court decision confirms the position that a development approval for a reconfiguration binds future owners of the subdivided lots.

Officer’s Recommendation

That Council receive this report and note the outcome of High Court decision.

Committee Recommendation

That the officer’s recommendation be adopted.

Council Decision

Refer to resolution preceding item 11 of the Council minutes (page 10025) where Council resolved that the committee recommendation be adopted.

13 Planning Services - Land Use and Urban Design - Townsville City Waterfront Priority Development Area Development Scheme - Endorsement of Draft Design Guideline for Public Consultation

Executive Summary

The Townsville City Waterfront Priority Development Area (PDA) Development Scheme was adopted by the State Government on 23 October 2015. As noted in Part 5 Implementation Strategy of the PDA Development Scheme, a strategic action to be undertaken was the development of a Design Guideline for the PDA.

A Draft Design Guideline and accompanying Inspiration Guideline has now been prepared in consultation with internal and State Government departments. The Draft Design Guideline provides additional design detail in relation to matters such as built form, footpath treatments, pedestrian connections, lighting and public art. The Inspiration Guideline illustrates the application of the principles within the Design Guidelines in a short visual form suitable for public appreciation. To ensure that appropriate external consultation occurs, it is proposed that the Draft Design Guideline and associated Draft Inspiration Guideline now undergo a 20 business day public notification period.
Officer's Recommendation

That Council resolve to endorse the Townsville City Waterfront Priority Development Area Draft Design Guideline and Draft Inspiration Guideline to undergo public notification for a period of 20 business days.

Committee Recommendation

That the officer's recommendation be adopted.

Council Decision

Refer to resolution preceding item 11 of the Council minutes (page 10025) where Council resolved that the committee recommendation be adopted.
