

Project Update

Townsville City Bus Station – February 2019

Works location: Ogden Street, Townsville

Flyer delivery date: Friday, 1 March 2019

Townsville City Council in partnership with the State Government is delivering a new Townsville City Bus Station in Ogden Street.

The Bus Station will provide bus passengers set down and pick up near Flinders Street, Ross Creek, future waterfront redevelopments and the new stadium. It will allow Sunbus services to pass through a single arrival and departure point in the CBD.

Stage 1 works (Stanley Street to Fraley Lane) are complete and include:

- Concrete footpaths
- Stormwater and water infrastructure installed
- Road constructed and sealed
- Bus shelter near completion
- Installation of new utilities.

Stage 2 works (Fraley Lane to Stokes Street) commence in March and will include:

- Excavation and road grading activity
- Renewing underground services (storm water, water, electrical and communications)
- Construction of roadway
- Reconstruction of footpaths
- Installation of street lights.

Changed traffic conditions

Please follow signage at traffic control and temporary detours.
