Committee Items

Infrastructure Services Committee

It was MOVED by Councillor M Molachino, SECONDED by Councillor L Walker:

"1. that the committee recommendations to items 1 to 4 be adopted; and
2. that item 5 be dealt with separately."

CARRIED UNANIMOUSLY

Councillor L Walker referred to item 2 with regards to naming the Oonoonba Park Oval after Noel Wilson. Councillor Walker paid tribute to Noel Wilson and thanked the Councillors, Mayor and staff for their work to get this outcome.

The Mayor, Councillor J Hill also paid tribute to Noel Wilson.

The Mayor, Councillor J Hill referred to item 4 to highlight the NATA (National Association of Testing Authorities) accreditation Townsville Laboratory Services has achieved recently and the good work that is being done by Council’s staff.

Item 5 - CONFIDENTIAL REPORT - Infrastructure Planning, assets and Fleet - Civic Theatre Painting Proposal

It was MOVED by Councillor M Molachino, SECONDED by Councillor L Walker:

"1. that officer’s recommendation no. 1 be adopted;
2. that Council approve proceeding with paint application to Civic Theatre external masonry block façade as a variation amounting to $321,369.40 excluding GST to the cost-plus contract with Hutchinson Builders on the basis paint adhesion testing by paint manufacturer is satisfactory;
3. that Council approve total project budget forecast for painting works which is subject to confirmation of provisional cost amounts included in variation amount;
4. that Council approve application of recommended colour selection of Dulux colour “Dieskau”; and
5. that Council approve recommendation to not proceed with window replacement due to no evidence has been presented by the Insurer or Hutchinson Builders of water ingress at window installations. The requirement for window replacement would be periodically reviewed following future wet season performance of building by asset owner, Property Management."

CARRIED UNANIMOUSLY
1 Presentation - Recovery Update - Built Environment

Committee Recommendation

That the General Manager Infrastructure Planning Assets and Fleet, or delegate, provide the presentation at Full Council.

Council Decision

Refer to resolution preceding item 1 of the Council minutes where Council resolved that the committee recommendation be adopted.

2 Infrastructure Planning, Assets and Fleet Request to Name Oonoonba Park Oval after Late Councillor Noel Wilson

Executive Summary

Council has received a request from Mr Geoffrey Wilson to rename Oonoonba Park or a section of the park after his father, the late Councillor Noel Wilson.

Officer's Recommendation

1. That Council agree to name the Oonoonba Park Oval after Noel Wilson.
2. That Council establish signage in the park to identify the oval as the Noel Wilson Oval and provide some history on the late Councillor Noel Wilson.

Committee Recommendation

That the officer's recommendation be adopted.

Council Decision

Refer to resolution preceding item 1 of the Council minutes where Council resolved that the committee recommendation be adopted.

3 Infrastructure Planning, Assets and Fleet - Gate and Private Road Application on Old Georgetown Road Reserve

Executive Summary

Council has received a request from Economic Development Queensland to install a gate near the end of Haynes Road and construct a private road within the Old Georgetown Road reserve to provide a safe access to Lot 102 on SP295409.

Officer's Recommendation

That Council approve the request for Economic Development Queensland to install a gate near the end of Haynes Road and construct a private road within the Old Georgetown Road reserve for access to Lot 102 on SP295409.

Committee Recommendation

That further community consultation should occur and the report be presented to the August 2019 Infrastructure Committee.
Council Decision

Refer to resolution preceding item 1 of the Council minutes where Council resolved that the committee recommendation be adopted.

4 Townsville Water & Waste - Townsville Laboratory Services new accredited capability

Executive Summary

Townsville Laboratory Services has achieved NATA accreditation for its development and validation of an analytical methodology for the analysis of per and polyfluoroalkyl substances (PFAS) in water and wastewater. This capability will allow for Council’s compliance to drinking water, wastewater and environmental monitoring requirements. This will also allow for an increase in the analytical services market share as Townsville Laboratory Services is now the first and only NATA accredited laboratory for this analysis in North Queensland.

Officer’s Recommendation

It is recommended that Council endorse this capability.

Committee Recommendation

That the officer’s recommendation be adopted.

Council Decision

Refer to resolution preceding item 1 of the Council minutes where Council resolved that the committee recommendation be adopted.

5 CONFIDENTIAL REPORT - Infrastructure Planning, Assets and Fleet - Civic Theatre Painting Proposal

Executive Summary

The impact of water ingress and subsequent mould growth to the Civic Theatre following the NQ monsoonal event has severely impacted the performing arts in Townsville and the region. Restoration and building repairs are underway by Insurer appointed builder, Hutchinson Builders with the facility closed until October 2019 albeit whilst still supporting V8 Supercars and Australian Festival of Chamber Music events. Water absorption to external masonry blockwork was a factor in creating a high moisture environment in the building with warm conditions leading to the severe mould development. Investigations to scope maintenance work to reduce the risk of moisture ingress during extended periods of high rainfall identified the application of an elastomeric paint to external masonry blockwork would greatly reduce the transmission of water into the building via blockwork and accordingly the incidence of resultant damage.

Officer’s Recommendation

1. That the report/attachment be deemed a confidential document and be treated as such in accordance with sections 171 and 200 (5) of the Local Government Act 2009 and that the document remain confidential unless Council decides otherwise by resolution.

2. That Council approve the recommendations made at the conclusion of this report.

Committee Recommendation

That the item be referred to Full Council.
Council Decision

Refer to resolution preceding item 1 of the Council minutes where Council resolved the following:

1. That officer’s recommendation no. 1 be adopted.

2. That Council approve proceeding with paint application to Civic Theatre external masonry block façade as a variation amounting to $321,369.40 excluding GST to the cost-plus contract with Hutchinson Builders on the basis paint adhesion testing by paint manufacturer is satisfactory.

3. That Council approve total project budget forecast for painting works which is subject to confirmation of provisional cost amounts included in variation amount.

4. That Council approve application of recommended colour selection of Dulux colour “Dieskau”.

5. That Council approve recommendation to not proceed with window replacement due to no evidence has been presented by the Insurer or Hutchinson Builders of water ingress at window installations. The requirement for window replacement would be periodically reviewed following future wet season performance of building by asset owner, Property Management.
Planning and Development Committee

It was MOVED by Councillor L Walker, SECONDED by Councillor M Molachino:

"that the committee recommendations to items 6 to 10 be adopted."

CARRIED UNANIMOUSLY

6 Planning Services - Industry Reference Group Meeting Update - May 2019

Executive Summary

This Report to Council provides an update on Council's Industry Reference Group (IRG) meetings. The most recent meeting was held on 22 May 2019.

Membership of the IRG comprises local representatives of peak industry bodies, development companies and planning and engineering consultants as well as representatives from State Government agencies.

Items discussed included the flood recovery update, Defence Industry Attraction Strategies, City Plan 2014 Performance Update, draft CBD car parking strategy, proposed CBD Incentives Package, PDA (Priority Development Area) review, State Government Statutory Planning updates and the Local Government Infrastructure Charges timing of payment / review.

Officer's Recommendation

That Council note the key matters discussed at the Industry Reference Group meeting held on 22 May 2019 as outlined in this report.

Committee Recommendation

That the officer's recommendation be adopted.

Council Decision

Refer to resolution preceding item 6 of the Council minutes where Council resolved that the committee recommendation be adopted.
7  Planning Services - Material Change of Use MCU19/0010 - Veterinary Services

Executive Summary

The application is for a Development Permit - Material Change of Use for Veterinary Services located at 5 Thuringowa Drive, Kirwan. The proposal involves the reuse of an existing Health care service (Medical centre). The Veterinary services will include two veterinarians on the site at any given time, with one practice manager. In addition, the premises will accommodate three to four nurses/receptionists, with a total of five to six full time employees overall.

The subject site is located within the Thuringowa East Precinct of the Medium Density Residential Zone, where the proposed use is identified as being Impact Assessable development under the Townsville City Plan and therefore requiring public notification. The application was publicly notified for a period of 15 business days between 15 March 2019 and 5 April 2019. During the public notification period, Council received two properly made submissions regarding the proposed development. The key grounds for objections were based on:

a) inconsistency with the Medium Density Residential Zone Code – Amenity, noise and odour;
b) conflict with Strategic Framework (3.4 Theme; Thuringowa-East Precinct);
c) car parking capacity – Insufficient number of car spaces;
d) building standards – structure not fit for purpose of proposed use;
e) hours of operation;
f) community need – service area likely to exceed local catchment; and
g) animal management.

Council has reviewed and considered each of the items raised, and where appropriate, conditions have been included to address these concerns. Detailed responses to the submissions are provided in Section 7 of this report. Having regard to the provisions of the Townsville City Plan and other relevant policies, the development is considered consistent with the outcomes sought for the subject site and locality and accordingly it is recommended that Council approve the application.
Officer's Recommendation

That Council approve application MCU19/0010 for a Development Permit for a Material Change of Use for Veterinary Services under the Planning Act 2016 on land described as Lot 26 T 118596, more particularly 5 Thuringowa Drive Kirwan subject to the following conditions:

SCHEDULE OF CONDITIONS

MATERIAL CHANGE OF USE (VETERINARY SERVICES)

1. Approved Plans and Supporting Documentation

   **Condition**
   a) The development must generally comply with the plan(s) and supporting documentation referenced in the table below and attached as stamped “Approved Subject to Conditions” which forms part of this approval, unless otherwise specified by any condition of this approval.

<table>
<thead>
<tr>
<th>Plan Name</th>

</tr>
</tbody>
</table>

   b) One full set of the most up to date approved plans and supporting documentation must be held on site and available for inspection for the duration of the construction phase.

   **Reason**
   The development must comply with all planning scheme requirements and definitions as approved and conditioned by this development permit.

   **Timing**
   During the operation and life of the development.

2. Number of Veterinarians

   **Condition**
   A maximum number of two (2) veterinarians are permitted to practise on the premises at any one time as part of the approved use.

   **Reason**
   To ensure that there is an adequate amount of on-site car parking to service the anticipated demand generated by the number of veterinarians operating on the premises as any given time.

   **Timing**
   At all times following the commencement of use.

3. Hours of Operation

   **Condition**
   Unless otherwise approved by Council, the activities associated with the use must only be conducted between 8:00am to 5:30pm Monday to Friday and 8:00am to 12:00pm on Saturdays.

   The use is not to operate on Sundays or Public Holidays.

   **Reason**
   To ensure the development does not have a detrimental effect on the amenity of the surrounding land in accordance with relevant code/s and policy direction.
4. **Property Numbering**

**Condition**
Legible property numbers must be erected at the premises and must be maintained. The site identification numbers should be of reflective material. Maintained free from foliage and other obstructions and be large enough to be read from the street.

**Reason**
To allow the general public, service and emergency service providers to effectively identify the property.

**Timing**
Prior to the commencement of the use and maintained for the life of the development.

5. **Car Parking**

**Condition**

- All car parking facilities, associated ramps and driveways must be provided in accordance with Part 9.3.5 Transport impact, access and parking code of the City Plan. The car park and access must be designed in accordance with SC6.4 Development manual planning scheme policy, specifically SC6.4.3.5. Car space dimensions and pavement markings must be in accordance with the latest amendment of the Australian/New Zealand Standard AS/NZ 2890. All car parking facilities must be maintained to a safe operating standard at all times thereafter.

- A minimum of 11 car spaces including a disabled park and provision for a service vehicle must be provided on site in accordance with SC6.10 Parking rates planning scheme policy of the Townsville City Plan.

- A bollard must be installed within the disabled park shared space in accordance with AS/NZS 2890.6 – Off street parking for people with disabilities.

- The service vehicle park must be pavement marked “Service Vehicle Parking Only”.

- The four (4) rear parking bays must be pavement marked “Staff Parking Only”.

**Reason**
To ensure development is appropriately serviced by parking and access facilities in accordance with relevant code/s and policy direction.

**Timing**
Prior to the commencement of the use and maintained for the life of the development.

6. **Landscaping**

**Condition**
The existing landscaping at the front of the property must be upgraded to improve the quality of streetscape presentation through additional groundcover plantings, mulch and general maintenance. The landscaping at the front of the property must retain the existing palms or at least one shade tree on each side of the driveway.

**Reason**
To ensure the site landscaping is in accordance with the planning scheme code and policies.
Timing
The existing site landscaping must be upgraded prior to the commencement of the use and maintained for the life of the development.

7. Signage

Condition
a) Plans of any signage to be associated with the use that is deemed to be assessable development in accordance with Part 5.8 Categories of development and assessment - Operational work specifically Table 5.8.2 Operational work being placing an advertising device on premises of the Townsville City Plan must be submitted to Council for assessment; and

b) Signs must be designed in accordance with Part 9.3.1 Advertising devices code of the Townsville City Plan; and

c) To maintain amenity for the adjoining properties, no illumination of the signage is to occur unless otherwise approved by Council.

Note: Signage has been included as a Plan Right development type, see Council’s web site for a list of accredited consultants that can assist with the submission of an application.

Reason
Signage not approved as part of this Development Permit or deemed either Accepted development or Accepted development subject to requirements will require a Code assessable Operational work development application to be lodged with Council in accordance with relevant code/s and policy direction.

Timing
Prior to the commencement of the use.

8. Refuse Facilities

Condition
Refuse collection arrangements must be provided by the developer so as to achieve the requirements of the Part 9.3.6 Works code of the Townsville City Plan and in particular:

a) A waste storage area, in an area not adjacent to any residential uses, must be provided of sufficient size to house all refuse bins including recycling bins. The developer must provide a storage area that is to be suitably paved, with a hose cock fitted in close proximity to the enclosure.

b) All waste generated as a result of the demolition of existing building or structures, and construction of the premises is to be effectively controlled and contained entirely within the boundaries of the site before disposal. All waste is to be disposed of in accordance with the Environmental Protection (Waste Management) Regulation 2000.

Reason
To ensure the premises is appropriately serviced and to protect matters of public health and amenity in accordance with relevant code/s and policy direction.

Timing
Prior to commencement of the use and maintained for the life of the development.

9. Plant and Utilities Noise

Condition
All refrigeration equipment, pumps, compressors, air conditioning units and mechanical ventilation systems must be located, designed and installed to not exceed a maximum noise level of:
a) 5dB(A) above background level between the times of 7am to 10pm; and
b) 3dB(A) above background level between the times of 10pm to 7am.

**Reason**
To ensure the use does not have a detrimental effect on the amenity of nearby sensitive receptors in accordance with the Environmental Protection Act 1994.

**Timing**
Prior to commencement of the use and maintained for the life of the development.

10. **Odour Management**

**Condition**
The storage of deceased animals must occur immediately following euthanasia, by means of freezing.

**Reason**
To ensure that the use does not cause an odour nuisance to nearby sensitive receptors.

**Timing**
During the operation and life of the development.

11. **Outdoor Lighting**

**Condition**
Install and maintain the lighting fixtures so they do not emit glare or light above the levels stated in *Australian Standard 4282 – 1997 Control of the Obtrusive Effects of Outdoor Lighting* (or the current applicable standard).

**Reason**
To ensure that the use does not cause an environmental nuisance to nearby sensitive receptors in accordance with section 440 of the Environmental Protection Act 1994.

**Timing**
During the operation and life of the development.

12. **Animal Management**

**Condition**

a) The overnight boarding room must be acoustically treated to mitigate any noise impacts on surrounding residential properties. All internal walls must be insulated and lined with acoustic materials, including the removal of the rear window (to be replaced with a solid wall).

b) The animals must be kept within kennels between the hours of (5.30pm and 8am). No cages must face each to prevent the generation of noise by the animals.

**Reason**
To ensure development minimises impacts on surrounding land and provides for an appropriate level of amenity in accordance with PO3 of Medium Density Residential Zone Code.

**Timing**
During the operation and life of the development.
Referral Agency Conditions

Concurrence Agency Conditions - Department of State Development, Manufacturing, Infrastructure and Planning (DSDMIP)

Pursuant to Section 56 of the Planning Act 2016, the DSDMIP advises that it has no objection to Townsville City Council issuing a Development Permit for Material Change of Use, subject to the conditions, as attached.

Advice

1. Infrastructure Charges

   Condition
   An Infrastructure Charges Notice outlining the estimated infrastructure contributions payable relevant to the Development Permit is attached for your information.

2. Water Restrictions

   Condition
   a) To manage Townsville's water resources, Council regulates water restrictions on a permanent basis. All development undertaken in Townsville must be mindful of the current and projected level of water restrictions that may affect development activities such as landscaping establishment and/or soil erosion and sediment control;

   b) Developers remain responsible for compliance with any water restrictions as directed by Council;

   c) During times of significant water shortage, Council may refuse to grant developers exemptions from water restrictions for the purposes of landscaping works or soil erosion and sediment control activities;

   d) In circumstances where exemptions to water restrictions are no longer issued by Council, bonding of soft landscaping works will be permitted to enable the release of plans of survey and/or compliance certificates. In cases where the soft landscaping is a component of permanent soil erosion and sediment control (such as an open drain) the use of “bonded fibre matrix” type hydro-mulch products or other suitable soil erosion and sediment control methods can be carried out as alternatives to demonstrate compliance with water restrictions.

   e) The responsibility for compliance with all relevant environmental protection requirements (in particular sediment and erosion control) remains with the developer; and

   f) All existing approvals should already include appropriate conditions to allow for the bonding of landscaping works. Should you find that an existing approval does not provide for this flexibility, a permissible change request to amend the conditions of approval can be lodged with Council free of charge (provided no other changes are requested).

3. Further Approvals Required

   Advice Condition
   a) Plumbing and Drainage Works

       A Compliance Permit to carry out plumbing and drainage works prior to the commencement of sanitary drainage works.
b) **Building Works**

A Development Permit for Building Works to carry out building works prior to works commencing on site.

c) **Operational work – Signage**

A Development Permit for Operational work is required for signage deemed to be code assessable in accordance with the Planning Scheme.

11. Clinical/Medical waste

**Condition**
This development has the potential to generate or handle clinical and regulated waste material. Clinical and medical related waste is to be handled in accordance with Australian Standard/New Zealand Standard 3816:1998 – Management of clinical and related wastes.

**Reason**
To ensure compliance with the relevant legislation and to protect public health and safety.

Committee Recommendation
That the officer's recommendation be adopted.

Council Decision
Refer to resolution preceding item 6 of the Council minutes where Council resolved that the committee recommendation be adopted.

8 Planning Services - Land Use and Urban Design - Townsville City Plan Amendment Package 2017/03 - Adoption of Major Amendment

**Executive Summary**
On 4 April 2017 Council resolved to make a major amendment to the Townsville City Plan as part of Amendment Package 2017/03. The major amendment seeks to update the zoning of a number of land parcels within the local government area, to reflect the uses currently existing on site and/or development approvals obtained by the landowner.

Council has recently received formal correspondence from the Minister advising that the proposed amendment appropriately integrates the relevant State interests identified in the State Planning Policy (SPP) April 2016, and Council may now proceed to adopt the proposed major amendment.

**Officer's Recommendation**
That, pursuant to section 117(1), Part 5, Chapter 3 of the Sustainable Planning Act 2009, Council resolve to adopt the proposed major amendment, with no changes, in accordance with this Report to Council.

Committee Recommendation
That the officer's recommendation be adopted.

15  Cultural Services - Townsville's Public Street Art Gallery

Executive Summary

Townsville City Council embarked on a journey to develop and deliver a high quality, vibrant and legal Street Art Program in 2012. Gallery Services/Community Development’s Memorial Street Art Prize Feasibility Study recommended that Council “develops and implements a holistic Street Art Program that activates and promotes opportunity, innovation, appreciation and education throughout the Townsville region”.

Underpinned by Townsville’s Street Art Activation Framework, which was adopted by Council in 2014, supported by the Street Art Activation Working Group and endorsed by Council, Townsville’s Public Street Art Gallery has forged a foundation for positive change in the Central Business District (CBD). Colourful and lively destination enhancements, in the form of street art murals, have produced a sense of place within the CBD and pride of place within the community.

The Public Street Art Gallery’s successes have been formally recognised by the Planning Institute of Australia (PIA) with a Commendation in the 2018 Awards for Planning Excellence Queensland. The gallery was also a finalist in the Property Council of Australia’s national 2019 Innovation and Excellence Awards. The Public Street Art Gallery also received high praise from renowned visiting national street artist, James Giddy, who recently delivered two street art murals within the CBD.

Officer’s Recommendation

That Council note the success of the Street Art Program’s “Public Street Art Gallery”.

Committee Recommendation

That the officer’s recommendation be adopted.

Council Decision

Refer to resolution preceding item 13 of the Council minutes where Council resolved that the committee recommendation be adopted.

18 Community Programs - Townsville City Grants and Partnerships - Spirit of Africa Festival

Executive Summary

Council recognises the vital contribution that community organisations make to the social, economic, community and cultural wellbeing of the Townsville community. Council provides community grants and forms partnerships to support the creation, implementation and delivery of community initiatives that align with Council’s corporate priorities and that demonstrate a positive contribution to improving the wellbeing of the Townsville community.

Spirit of Africa Cultural Association have applied through Townsville City Grants and Partnerships (Community Organisations) - Social Category - for $30,974.56 (cash) and $1,560.60 (in-kind) fee waiver towards delivery of the African Festival in Townsville 2019 to be held at Riverway Park on 10 August 2019.

The African Festival of Townsville was established in 2011 to celebrate Africa Day. African traditions and history are passed on through stories and performances demonstrated at the festival. The festival showcases folklore stories and dances that African people have retained, adding to the social fabric of Queensland and assisting with building cross-cultural understanding between new migrants, refugees and the wider community. Additionally, the festival serves to keep the diverse African traditions alive through youth and retain pride in the African cultural heritage. Performing for the community forms positive connections between African-Australians in the community, helps build confidence and strengthens relationships. The festival hosts local schools such as Kirwan High School, Ryan Catholic College and Pimlico State School to participate in the festival to encourage collaboration and understanding across cultures.

Officer's Recommendation

That Council approve the issuing of a Townsville City Grants and Partnership Funding Agreement to Spirit of Africa Cultural Association to the total value of $32,535.16 which comprises of $30,974.56 (cash) and $1,560.60 (in-kind) fee waiver.
