Explore and Look - Extra Challenge Ideas

1

Water Ice Viewing

- Take out a piece of ice from the freezer.
- Look through it at an object.
- What happens?

2

Hands and Knees Discovery

- Explore your backyard on your hands and knees.
- What do you see? Is it different to standing?
- What is your favourite object you have found?

3

Close Your Eyes Instruction Game

- Place a glass of water in front. One person closes their eyes.
- The other person instructs them how to drink the water.
- They must do exactly what they are told to do.
- Beware, if the instructions are not clear you may get wet.
