Nature's Window - Extra Challenge Ideas

1

Exploring and Discovering Places

- Explore your backyard, the local park and the beach.
- What can you find? What is different at each place?
- What is the same at each place?
- Make different nature's window art for each habitat.

2

Foaming Monster

- Create a foaming monster by placing bicarbonate soda into a bottle or jar over a bathtub or sink.
- Add food colouring. Shake it up. Add white vinegar.
- What happens?

3

Rubbing Objects

- Place a sheet of paper over an object like a leaf, bark or rock.
- Gently shade with a pencil or crayon to transfer the texture onto the paper.
- Why did you choose this texture?
- Which do you like the best?
