

Works Notification

Update: Castle Hill Road & Stanley Street Slope Remediation

Tuesday, 9 September 2025

What works are coming up?

Townsville City Council has been carrying out rockfall protection and slope stabilisation works along Stanley Street and will now commence similar remedial works on Castle Hill Road.

Council is preparing to commence works on Castle Hill Road on **Friday 12 September**. To facilitate these works, the road will be closed to vehicles from Monday to Friday during work hours. Pedestrian and cyclist access will remain unaffected. A detour map is included with this notification.

When will the works take place?

Location	Castle Hill Road, Townsville City
Timing	Council expects to commence Stanley Street works at the 12 September 2025 , with construction activities to take two (2) weeks to complete.
Hours	Regular work hours are from 7am to 5pm, Monday through Friday . In exceptional cases, Council may require activities outside these hours.

Funding

This project is funded by Townsville City Council.

What will the works include?

As part of these works, Council will:

- remove unstable portions of the slope
- shape the remaining slope to a consistent grade
- install soil nails and mesh

What does this mean for me?

If you live in or are travelling through the area, you may experience:

- construction machinery and vehicle movement
- increased levels of dust, noise, and vibrations
- temporary traffic changes, including lane and road closures, minor traffic delays and reduced speed limits.
