

ROADWORKS

What you need to know

Did you know that Townsville City Council maintains more than 1,771 km of roads throughout our region?

Our roads link Townsville's commuter network making them one of our most critical assets, which is why Council continues to prioritise their maintenance.

WORKS WILL INVOLVE:

WILL THERE BE TRAFFIC MANAGEMENT IN PLACE?

There may be partial road closures and/or associated parking bays and footpaths depending on the type of works being conducted.

WILL I HAVE DIFFICULTY ACCESSING MY PROPERTY DURING THE WORKS?

- **Preparation works**
You will still have access to your property with some minor disruptions.
- **Bitumen spraying and Asphalt Overlay**
Access to your property will be limited during working hours as road closures will be necessary. Council crews will always arrange access for emergency services vehicles.

WHERE DO I PARK MY CAR DURING THE WORKS?

On-street parking may be restricted in the area of the roadworks depending on the type of works being conducted. During the works we ask that vehicles are parked within your property or in a nearby street before 6am on the day works commence.

WHAT IF I NEED TO ARRANGE ACCESS TO MY PROPERTY/BUSINESS THROUGHOUT THE DURATION OF THE WORKS?

Access to your property or businesses may be restricted depending on the works conducted, if this is the case a Council representative will make contact at least 24 hours prior. If you need to arrange access speak to an onsite crew leader or contact Council on 13 48 10 and let them know of your situation.

I HAVE A DISABILITY AND/OR CARE ARRANGEMENTS. HOW CAN I ARRANGE ACCESS TO MY PROPERTY/MODE OF TRANSPORT?

Speak to an onsite crew leader or contact Council on 13 48 10 and the crew leader will contact you to make arrangements.

Townsville City Council would like to thank all impacted for their patience and cooperation during these works.

ROADWORKS

Council Works Notification

Works location: Banfield Drive

Flyer delivery date: Thursday, 16 May 2019

Townsville City Council is committed to delivering quality services for our community and has allocated a budget nearing \$400 million to improving our infrastructure.

This project is funded by the Australian Government's Black Spot Program - an Australian Government road safety program, which aims to fix dangerous roads by treating road locations where crashes have previously occurred.

Road work projects may include kerb and channel (gutters), driveways, footpaths, pavement, bitumen and asphalt treatments. These works prolong the life of the infrastructure and improve road safety. Additional works may also include tree planting and installation of garden beds.

The **Banfield Drive** road works within the boundaries of Galway Court and Arkaba Street are scheduled to commence on **Thursday, 23 May 2019** and are expected to take **6 weeks** to complete (weather and conditions permitting).

Pedestrian and vehicle access to properties will be maintained for the majority of the project; however minor restrictions will be required during the works. If your business or residence is affected, Council will provide 24 hours' notice prior to any restrictions.

Works will involve:

- Traffic management including traffic control and some road closures
- Closure of the footpath and some parking bays
- Flashing lights
- Noise

On your bin collection day, please ensure your bins are out by 6am to be collected.

Normal work hours are **6am to 4pm Monday to Friday** and **6am to 2pm on Saturday**. In exceptional cases, work may be required outside these hours.

Contact: Mark Richardson, Senior Team Leader.
