Update on Theatres by Emily Molloy

- Civic Theatre – recovery works are going very well. The timeline of progress indicates that the shows scheduled for October will go ahead.
- Riverway – the recovery is more complex, as new issues keep arising. The recovery of the pool has been given priority and then the Arts

Centre recovery. At this stage the Arts Centre will not be finished by the end of the year but possibly early next year.

- The next meeting could be held at the Balcony Bar at the Civic Theatre and perhaps a tour of the theatre could be conducted.

Action Plan – Updates from Working Groups/Lead Agency

Teresa Hudson, Community Information Centre spoke on:

- Online Directory – more inclusive to the community
- Venues guide and register of arts (access to all artists) – to be updated by CIC working with ACAC members and Council
- CIC are relocating to the Ground Floor, Northtown – this area will assist in the promotion of artists and artistic organisations. The area is launching on Friday 30 August at 4.30pm before the Townsville Eats event.
- There is a meeting room for hire.

Register of Venues

- A register to be created that would cover all searches of buildings/rooms that are available for meetings and events.
- Council owned buildings as well as rooms within the community.
- The committee suggested that a working group be formed to discuss the register.
- Community space within the CIC area is available to support organisations and individuals in the community.
- CIC is a single point to get information out to people.

Item 4. Celebration Discussion

Acknowledgment of achievements in the last month - ACAC Member discussion on July/Aug Arts Festivals and Events – NAFA, Fringe Festival, Festival of Stories, AFCM, Strand Ephemera, Pop Up NQ.

Feedback from NAFA is being sought – this can be provided on the website.

It was suggested that Pop Up NQ be open when Townsville Eats is on. The feedback from the Committee was that this would be awesome.

Other Business

1. “Adopt a Local Author Program” – Ian McIntosh

Julie McTaggart requested Ian McIntosh to speak on his idea of an Adopt a Local Author Program.

Ian explained the Adopt a Local Author Program and a prospective partnership with the Townsville City Council. Local authors adopt a particular school to develop young writers within the school environment. It is hoped that this would also encourage local authors to become involved. There are several children’s authors based out bush and it would be great to get them involved. Further discussion will be held on this item with the possibility of making the program

happen and specific schools can be targeted for the recipient author. Ian will also work with City Libraries.

2. Community Recovery

Julie McTaggart invited the members to discuss how the community recovery is going following the Monsoonal Event/Flooding In February 2019 in particular the Flourish Event.

“Flourish Event” – community recovery event being held on 26 October 2019. Information will be forwarded to all members – focusing on the recovery related to emotional and mental health issues and social well-being. The event is seeking stallholders, and activities that people can participate in. The information will be available on the Townsville City Council website.

3. Promotion of Advisory Committee. Julie McTaggart spoke about the production of a quick fact sheet/flyer and banner promoting the Arts and Culture Advisory Committee. The fact sheet simply describes the committee and its role within the community and the banner advertises the Committee. The fact sheet and banner will be used at community events and the flyer will be located on the Townsville City Council website.

4	Agenda Submission - For Discussion/Decision	15.12.2016	Delay in Council Funding Decisions	Those who applied in the September Funding round received on 15th December the following notifications: Council is undertaking a further review of grant applications received through this funding round. As part of this review process, you may be requested to provide additional information to council officers on your grant application. This review will mean that you will be notified of the outcome of your grant application outside of the advertised assessment duration of up to 10 weeks. We appreciate your patience waiting for an outcome to your grant application. We will advise you of the outcome when a funding decision has been made on your application by a meeting of Ordinary Council.	Concerns (a) if grants have been properly submitted they should be judged on the information provided. Queries/clarification should fall within the 10 week period. (b) Many grants are predicated on co-funding. Applicants with pending grants from other agencies who would have listed "mid Dec" outcome for this grant may well be disadvantaged. (c) the earliest that these could now be dealt with is the Council meeting at end January, so applicants' event planning delayed into February. Therefore, (a) why has this happened (b) and what steps are being taken to ensure that this is a one-off event.	07.02.2017	Council Community Grants Officer Arthur Schulz spoke at ACAC Meeting 07.02.17 about delay in approval of some of the recent grant applications. Councillors present also spoke at meeting – refer Meeting Minutes 7 February 2017.	COMPLETED	Meeting Facilitator – Julie McTaggart Community Grants Officer – Arthur Schulz

Seeking input from the industry leaders on the types of subjects and information that should be provided.	07.02.2017	Discussed at ACAC Meeting 07.02.17 Working group formed to progress workshop planning - 5 ACAC Members expressed interest – refer Meeting Minutes 07.02.17. The intention of the awards was to have them hosted by a different council each event which was every two years. Work was completed earlier in 2016 to try and engage other councils to host the awards, Charters Towers expressed interest but due to budget cuts at the beginning of the financial year both Charters Towers and Townsville City Council found they were not in a position to support the awards due to be held in 2017.</p>	<p>Seeking committee's views on how the Arts awards should proceed:</p> <ul style="list-style-type: none"> • The same process - all art forms celebrated in one event. • Look to hold individual events (i.e. visual, performing and literature). • Each region manages their own event. • Different model. • No awards ceremony. 	07.02.2017	<p>Tabled at ACAC Meeting 07.02.17 Not enough time to discuss at 07.02.17 or 06.04.17 Meetings. 10	Agenda Submission - For Discussion/Decision	13.03.2017	December Grant round	Can ACAC be advised if applicants have yet received the outcomes of the Grant round that was due to be decided last December and has now been postponed to the end of March? Has this delay had an effect on the cancellation of any applicants' programmes?	That ACAC ensure that Council staff and Councillors fully comprehend the outcomes of such delays. It is the public funding (Local and State especially) that will underpin pitches for corporate sponsorship - as the public funding supplies a "seal of approval/quality" to a corporate making such decisions. Further it will have shot the timelines for many activities to ribbons, I suspect. I urge Council to look to streamline this process as briefly discussed at the last meeting.	06.04.2017	(Link to Agenda Item No 4 - completed) Discussed at 06.04.17 meeting - Refer Minutes of meeting. All applicants have received outcome of Grants round. No complaints received about delays.	Agenda Item – COMPLETED. Community Grants Program and Processes are under review.
