

# Council Works Notification

## Walker Street Connection to Castle Hill

**Works location:** Walker Street, Castle Hill – Townsville City

**Flyer delivery date:** Wednesday, 15 November 2020

Townsville City Council has been successful in securing funds to improve Townsville's infrastructure, parks and venues, as part of the Australian Government, Department of Industry, Innovation and Science – Building Better Regions Round 3.

This project is funded by the Australian Government and delivered in partnership with Council, and aims to assist Council's to enhance community facilities, provide a positive impact on economic activities, create jobs and encourage community cohesion and a sense of identity.

Council has commenced the rollout of the Building Better Regions project and as part of this program; your suburb will receive the Walker Street Connection to Castle Hill.

This exciting project will involve the construction of a new access platform walking track from the existing public carpark located at the western end of Walker Street up through to Jones Street Reservoir located above 'The Cutting' carpark

The installation of the connectivity platform from Walker Street will provide a direct connection to the existing Maidenhare track. This project will provide an enhanced and centralised entry point from the heart of the city to Castle Hill for our community and visitors to enjoy.

The **Walker Street Connection to Castle Hill** works are scheduled to commence on **Wednesday, 22 July 2020** and are expected to take approximately **4 months** to complete (weather and conditions permitting).

Works may involve:

- Excavations and machinery operations
- Safety fencing installed for pedestrians and vehicles
- Noise and dust
- Temporary Car Park Closure

Please note that for the safety of the community there is the requirement for the closure of the existing parking bays within the Walker Street carpark and the service road adjacent Castle Hill through to property boundaries for the period of the project.

Council has appointed a local contractor Wagners Group to carry out these works.

Normal work hours are **6am to 6pm Monday to Friday** and **7am to 4pm on Saturday**. In exceptional cases, work may be required outside these hours.

**Contact:** Chris Goddard, Project Manager
