Hi Taryn,

We refer to the abovementioned development application for which Council issued an Information Request on 18 September 2024. In accordance with the Development Assessment Rules and *The Planning Act 2016* an Applicant has three months to respond to an Information Request. Based on the date of the Information Request was issued, the response is due on or before 18 December 2024.

As we are still finalising some technical reporting to respond to the items associated with Council's and SARA's Information Requests, pursuant to Section 13.1 of the Development Assessment Rules, we seek a two month extension to the Applicant's Information Response Period.

If Council is agreeable to the abovementioned request, the Information Request Response will be due on or before 18 February 2025.

If you have any questions, please do not hesitate to contact us.

Kind regards,

**Sarah Jones** | SENIOR TOWN PLANNER
