

Corporate Research Service

Don't know where to start to find information on ...

- Townsville's social, economic and environmental profile?
- Australian Standards and Building Codes?
- History of planning and development in Townsville?
- History of Council and its activities?

CityLibraries Corporate Research can help!

Corporate Research (part of Library Services) is an internal information and research service for all Townsville City Council councillors and staff. Our aim is to support council business and decision making with accurate, current, and relevant information sources.

Some Corporate Research resources and services are also available to the public. Our staff can help you access information about Townsville and the Townsville City Council. Items in our collection are not available for loan but may be used onsite. Our resources cover a wide range of subjects relevant to the work of Council and to the Townsville region including:
