

# Council Works Notification

## Excavation Works around Ross River Dam Pump Station and Relocation of Temporary (Recreational Vehicle) RV waste Disposal Point

**Work location:** Riverway Drive, Kelso

**Flyer delivery date:** By 26 June 2023

Townsville City Council is committed to providing and maintaining over \$5.4B worth of community assets consisting of water and wastewater networks, bridges, drainage, roads, waste management and more throughout our city. Council has appointed local construction company Civil Plus Constructions to complete works.

### Ross Dam to Douglas Water Treatment Plant Pipeline Renewal

Council is constructing the Ross River Dam to Douglas Water Treatment Plant pipeline, a key water infrastructure asset essential to Townsville's water supply which provides 85% of the city's water. The new pipeline will further enhance Townsville's water security.

The pipeline will cross Ross River near the dam, run parallel to the river through the Mount Stuart Training Area before connecting to the Douglas Water Treatment Plant.

### New activity – Excavation Works around Ross River Dam Pump Station and Relocation of Temporary RV (Recreational Vehicle) waste disposal point

The **Excavation Works around Ross River Dam Pump Station** are scheduled to commence on **Monday 26 June 2023** and are expected to take **two weeks** to complete (weather and ground conditions permitting).

Works involve:

- Single lane closure on dam park access road with signal lights
- Safety fencing and or barricading installed for pedestrians and vehicles
- Noise, flashing lights and dust

The current RV waste disposal point at the Ross River Dam Park will be closed for approximately 2 weeks during excavation works around the Ross River Booster Pump Station.

During this period a temporary installation will be made available approximately 500m away on Riverway Drive. See below diagram of the temporary dump point location.

Traffic control measure will be in place at this new location during the temporary works.

The approx. periods during which the Temporary Waste Disposal Point will be in use are:

- 27 June 2023 – 7 July 2023

**Signage will be in place in the vicinity of the waste disposal point to inform users of the availability of the waste disposal point.**

**Contact:** Lachlan Campbell, Senior Project Engineer, Townsville City Council
