UPDATE – Mitchell, Gregory, and Eyre Street Pathway Upgrade

Friday, 9 May 2025

What works are coming up?

Townsville City Council is preparing to commence Part Two of Phase Five of this project.

This phase involves upgrading the pathway on the northern corner of Gregory and Mitchell Streets, between Axell Rose and the Strandview Apartments.

On Thursday, May 22, we will begin reconstructing the driveway leading into the car park behind Axell Rose. During this period, access to the car park will be temporarily unavailable. The car park will remain closed and reopen on the afternoon of **Monday, May 26, 2025**.

What will the works include?

As part of the project, works will include:

- Traffic management and installation of temporary fencing
- Removal of existing pavers and kerb and channel
- Preparation of formwork and commencement of concrete pours
- Application of two coats of sealer
- Reconstruction of the driveway leading into the car park behind Axell Rose.

Once the work is completed, we will clean the site, remove the temporary fencing, and reopen the pathway and the road to the public.

What does this mean for me?

Council will make every effort to ensure that access remains open for businesses throughout the project. Disruptions will be minimised, and stakeholders will be kept informed.

If you live in or are travelling through the area, you may experience:

- Construction machinery and vehicle movement.
- Increased levels of dust, noise, and vibrations.
- Temporary traffic changes, including lane closures, minor traffic delays and reduced speed limits.
- Temporary loss of on-street and off-street parking.

When will the works take place?

Location	Corner of Gregory and Mitchell Streets Street between, Axell Rose and the Strandview Apartments, North Ward
Timing	On Monday 12 May 2025 . Council expects these works to take two (2) week to complete, weather permitting.
Hours	Regular work hours are from 6am to 6pm Monday to Saturday . In exceptional cases, work may be required outside these hours.

Funding

Proudly funded by the Queensland Government's Works for Queensland program in association with Townsville City Council.
