Subject: Request for extension to RFI response period for MCU26/0034

Good morning Lachlan,

I would like to formally request an extension to the RFI response period.
The *TCC information request - MCU26/0034* was received on 9 June 2026, with a due date of a response within 3 months (9 September 2026).

On behalf of the proponent, I wish to seek an extension to the information request timeframe to the new proposed due date of **6 November 2026** (friday). This calculates to an additional 42 business days to allow time for respond to all matters raised in the RFI.

Please let me know of the outcome, or any further requirements to enable this extension process.

Kindly
Elise
