

FREE MOULD REMOVER

New locations!

Natrosshield Organic Sanitiser is being made available, free of charge, to Townsville residents to assist in the fight against mould and prevent the spread of disease.

Natrosshield Organic Sanitiser is a natural plant derived compound (Bioflavonoids) which has very good antibacterial and antifungal properties, that makes it a natural disinfectant.

Natrosshield provides broad spectrum sustained activity against bacteria, mould, fungi. Apply to food preparation & household surfaces, gardening equipment, bee hives & equipment to help prevent the spread of disease.

Ideal for treating mould on hard and soft surfaces such as canvas, clothing and leather as it will not bleach the material or surface. Safe to use as a terminal, non rinse sanitiser on food preparation surfaces such as cutting boards, bench tops, cutlery, crockery, fridges and cold rooms.

It is environmentally friendly, non-bleaching, non-corrosive, nontoxic and safe around animals.
