

Works Notification

Jones Road to No Name Road upgrade roadworks

What works are coming up?

Council will be carrying out work to upgrade the intersection of Jones Road and No Name Road at Woodstock. Delivered by civil contractor BMD Constructions, this is part of enabling infrastructure works for the Lansdown Eco-industrial Precinct. As a result of this work, the road configuration at this intersection will be permanently changed to allow the safe and efficient operation of traffic into and out of the precinct from Jones Road.

- Upgrade of the existing section of Jones Road between No-Name Road and west of the Ergon Substation
- Upgrade of drainage to maintain surface water flow
- Formalising access to three properties connected to Jones Road
- Limited clearing of specific trees on No Name Rd to enable fence construction.

What does this mean for me?

If you live in or are travelling through the area, you may experience:

- Construction machinery and vehicle movement
- Increased levels of dust, noise, and vibrations
- Temporary traffic changes, including lane closures, temporary traffic lights, minor traffic delays and reduced speed limits.

When will the works take place?

Location	Jones Road, Woodstock, between No-Name Road and west of the Ergon Substation with temporary site office corner of Woodstock Ave and Jones Rd.
Timing	From Monday 30 June 2025 and are expected to take six (6) months to complete, weather and project conditions permitting.
Hours	Normal work hours are from 6am to 6pm Monday to Saturday . In exceptional cases, work may be required outside these hours.

Funding

Lansdown Eco-Industrial Precinct is Jointly funded by the Australian Government and Queensland Government, in association with Townsville City Council.
