

Welcome to the Townsville City Grants & Partnerships. The aim of this program is to support initiatives which address a community need through the provision of community grants and partnerships.

The program consists of 3 categories. The categories are:

- Social Grants & Partnerships
- Environmental Grants & Partnerships
- Economic Grants & Partnerships.

Each category contains multiple priorities. You will need to ensure that your initiative supports at least one of these priorities. The responses in your application should highlight how your initiative meets the priority that you choose. The priorities may change and be updated – to view the current priorities please visit [Council's website](#).

To determine if you are eligible for a grant or partnership please read the below information. Please note that satisfaction of the eligibility and application criteria does not mean that your application will be approved.

<p>Who can apply:</p>	<p>Applicants must meet all of the below to be considered for funding:</p> <ul style="list-style-type: none"> • Be a properly constituted not-for-profit organisation, or be auspiced by such an organisation; • Reside and/or primarily provide services within the Townsville Local Government Area (LGA), or be able to demonstrate that the initiative is in the public interest of residents of the Townsville LGA; • Must be free of debt to Townsville City Council; • Have acquitted any previous Townsville City Council grant satisfactorily; • Hold current Public Liability Insurance, to the value of \$20,000,000 per claim. • Submit a COVID Safe Plan that aligns with the current State and Federal guidelines and restrictions for COVID-19, <p>Applicants who will not be considered for funding:</p> <ul style="list-style-type: none"> • Government agencies or Departments of local, state or federal government; • Educational, religious or medical institutions; or • Businesses, including sole traders.
<p>Submitting your application:</p>	<p>Applications must be completed online through SmartyGrants accessed via Council's website. SmartyGrants is an external software program that allows applicants to create an account. Your account will then be your portal for tracking current applications and will give applicants the ability to view previous grant applications.</p> <p>When working on an application you will have the ability to “Save your Progress” and return at another time to complete your application. You will receive notifications from SmartyGrants directly (e.g. notifying you of an application in progress, the submission of an application, etc.).</p> <p>SmartyGrants allows multiple committee members to be logged in to the same account at the same time. However, only one person can work on an application at any one time as the program will not save changes from multiple users and this may result in lost information.</p>
<p>Support Available:</p>	<p>Applicants can request support from council in the form of both cash funding and in-kind support (meaning the waiver of a council venue hire fee). The total value of your request is determined by how much funding you ask for, including any in-kind support you ask council to provide.</p>

GUIDELINES

COMMUNITY ORGANISATIONS

TOWNSVILLE CITY

GRANTS & PARTNERSHIPS

	The value of your total request will affect your assessment process, please read the appropriate section below very carefully.
Council Budget:	Council has the ability to part fund, or not fund, initiatives depending on council budget allocation. The amount of funding available is limited by council's annual budget allocation.
