

ILlich PARK UPGRADE

Townsville City Council is committed to providing parks, sporting fields and recreation areas with facilities that promote and contribute to the health and wellbeing of our city.

To deliver on this commitment, Council will construct a new purpose built recreation space which will also enhance the infrastructure resilience in Illich Park.

WHY IS THIS PROJECT NECESSARY?

- To provide improved play, recreation and fitness facilities for residents
- To enhance infrastructure resilience within the park and its surrounding areas

WHAT IS INCLUDED IN THIS PROJECT?

- Installation of new playground equipment, shade sail and soft-fall
- Installation of shelters, electric BBQ and picnic seating
- Installation of fitness equipment and drinking fountains
- Installation of a basketball half court
- Extensive tree planting within the playground
- Reconfiguration of existing landform

WHAT WILL THE NEW EQUIPMENT LOOK LIKE?

DATES

WORKS TO OCCUR

HOW WILL THIS BENEFIT THE COMMUNITY?

The upgrade will:

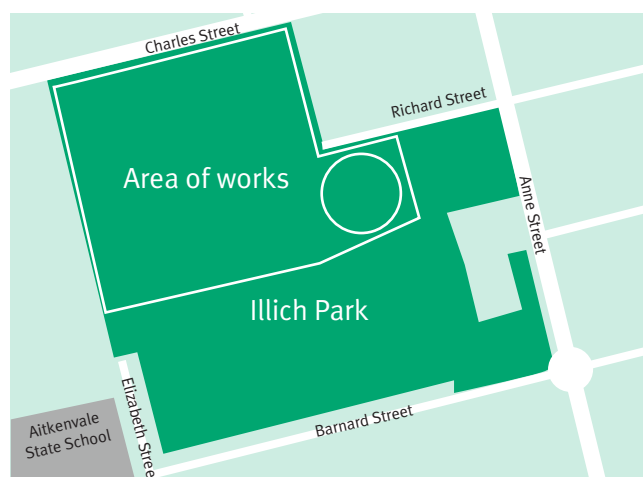

- Provide new play, recreation and exercise opportunities for residents of Aitkenvale
- Enhance the resilience of the existing infrastructure in Illich Park

HOW WILL THE PROJECT IMPACT PARK USERS?

- An area of the park will be closed to users for the duration of the construction works (weather permitting)
- Traffic management may be in place during construction. Streets affected will be Charles Street, Elizabeth Street and Richard Street
- All works will be scheduled to occur during daylight hours with minimal disturbance to residents
- There will be an increase in trucks entering and exiting Charles Street throughout works

LOCATION OF WORKS

The project is located in Illich Park, Aitkenvale.

Townsville City Council would like to thank all affected residents for their patience and cooperation during these works.
