WHAT ARE THE PERCIVALS?

The Percivals are art exhibitions
all about **PORTRAITS!**

Portraits are artworks where a person or
animal is the main subject. *The Percivals*
include both digital and film photography,
and artworks made from acrylic paint, oil
paint, and watercolour paint.

This year *The Percivals* has gone virtual!
View the virtual tour on our [website](#).

My name is Percy and
I'm here to guide you
through *The Percivals*
2020 Activity Book!

DOT-TO-DOT

Animals are the main subjects of all the artworks in the **Percival Animal Portrait Prize**.

Join the dots to reveal an animal, then view the *Animal Portrait Prize* exhibition in the virtual tour to see if you can find this animal on display!

BODY LANGUAGE

Body Language can be used in portraiture to express feelings or to portray someone's character.

Have a look at Percy in the two images below. What emotions is Percy experiencing?

Write your answers in the spaces provided!

COLOUR

By using certain colours in a portrait, artists create different moods and suggest feelings.

WARM COLOURS can be vivid, eye-catching, and energetic.

COOL COLOURS can give an impression of calm, gentleness, and quiet.

Using the colour wheel to help you, colour one of my portraits in warm colours and the other in cool colours!

How do the different colours make you feel?

PHOTOGRAPHY

An important part of photography is **framing** the photo in order to draw the eye of the viewer into the photograph.

Cut out the camera view finder, look through it, and practice framing a scene!

Townsville City Council acknowledges the Traditional Owners and Custodians of Townsville – the **Wulgurukaba** of **Gurambilbarra** and **Yunbenun**; and **Bindal** people. We pay our respects to their cultures, their ancestors and their Elders – past and present – and all future generations.
