

# Council Works Consultation

## Project Laydown Area

**Works location:** Mindham Park, Mysterton

**Flyer delivery date:** Thursday, 1 April 2021

Townsville City Council is committed to delivering quality services, updating, and maintaining infrastructure and supporting jobs and has allocated a balanced budget to support our community through one of the toughest periods in our city's history.

Council is conducting works on an essential underground Water Main pipeline that transports water through the Mundingburra area and surrounding catchment zones.

This project will involve the installation of a new water main pipe constructed under the existing footpath on Charters Towers Road/ Ross River Road between the street boundaries of Goldring Street through to Burdekin Street conducted on both sides of the road corridor.

The Charters Towers Road/ Ross River Road water main project is scheduled to commence **late-April 2021** and is expected to take **six months** to complete.

Council has awarded **GNM Group** to carry out these works and as part of these works, GNM Group through Council is proposing a section of land within Mindham Park for a laydown area.

### Laydown area proposal:

A laydown area is used for the receipt, temporary storage, and sometimes for the assembly of construction equipment and other supplies.

- GNM Group designated laydown is within proximity to the project,
- Laydown area established with site offices, off-street parking and capable of stockpiling of bulk material in support of this project,
- Secure fencing and access control within the laydown area, and
- Laydown area established Tuesday, 20 April 2021 and operational throughout these works.

Should this proposed GNM Group 'Laydown' area that is indicated on the overleaf cause any significant disruption to your property or you have concerns with the site establishment within Mindham Park please advise Council by emailing [haveyoursay@townsville.qld.gov.au](mailto:haveyoursay@townsville.qld.gov.au) within 7 days of the flyer delivery date, or on the contact number provided below.

**Contact:** Slade Muckray, Stakeholder Engagement Officer
