

# Jones Road to No Name Road upgrade

## Construction update

**June 2025**

The intersection between Jones Road and No Name Road will become the main road access into the Lansdown Eco-Industrial Precinct (LEIP). To prepare for the construction of the internal road network for the LEIP, Council will soon begin work to upgrade the intersection of Jones Road and No Name Road at Woodstock. A local construction site office will be established in the area to support ongoing infrastructure work.

### Upcoming works in June 2025

Site location	Work activities
Corner of Woodstock Avenue and Jones Road	<ul style="list-style-type: none"><li>Clearing and fencing of land for a temporary site office</li></ul>
Corner of Woodstock Avenue and Jones Road	<ul style="list-style-type: none"><li>Establishment of temporary site office</li></ul>
Jones Road Woodstock, between No-Name Road and west of the Ergon Substation	<ul style="list-style-type: none"><li>Road work to upgrade existing pavement and drainage</li></ul>
No-Name Road	<ul style="list-style-type: none"><li>Clearing of specific trees to allow fence installation along the road reserve boundary</li></ul>

Please note: The timing of the above works are subject to favourable weather and on-ground conditions

### General

- This work will be delivered by civil contractor BMD Constructions.
- The road configuration at the Jones Rd / No Name Rd intersection will be permanently changed to allow the safe and efficient operation of traffic into and out of the precinct from Jones Road.
- The temporary site office will be located on the corner of Woodstock Avenue and Jones Road.
- Specific works notifications for different phases of this work will be published on our website and sent directly to local landowners and residents.

Please share this information in your area and encourage anyone who is interested to sign-up for future notifications by email or post.
